Fight Looms Over McAdoo.

If Palmer enlists behind McAdoo probably the bulk of Pennsylvania's delegates would be carried for the latter. If Palmer enlists for Underwood means committee, which must apthere will be a fight, in which Mc-Adoo would probably be held down to **Cut in Acreage**

half the Pennsylvania delegation. Other than Palmer, the strongest democratic figure in Pennsylvania, in some respects stronger than Palmer, is Vance McCormick, owner and editor of the Harrisburg Patriot, and chairman of the democratic national 5.000,000 Acres Less Sown committee which managed Wilson's campaign so successfully in 1916. 'In past years McCormick and Palmer have usually been together.

Everybody regards McCormick a a strong Wilson man and a strong McAdoo man. Everybody anticipates farmers have sown 12.6 per cent less that McCormick will be for McAdoo, last year, the Department of Agriculwhoever else is or isn't. Competent judges believe that if the Pennsyl- ture announced on the basis of re- tion of the various motions by a 15 to vania situation should develop into ports from agents throughout the a contest between McCormick on be- country. The total area sown this fall is half of McAdoo, and Palmer on behalf of Underwood, the former could 950,000 acres in the fall of 1922. Concomfortably get at least half and probably more of the delegates for dition of wheat crop December 1 was 38, compared with 79.5 December 1, McAdoo.

1922, and a 10-year average of 86.5 If this dispatch seems to put em The area of rye sown this fall is chasis on leaders other than on popu-lar strength, it is because of the ob-4.377,000 acres, which is 15,1 per cent less than the revised estimated area vious fact that Pennsylvania, being sown in the fall of 1922, vix., 5,157,000 a state where the democrats are alacres. most always the minority party, its Condition of the rye crop was 89.9 democratic politics are largely a matter of leaders and organizations. As and a 10-year average of 89.9. respects popular favor, the division between McAdoo and Underwood Huskers to Play

much the same as elsewhere. No Struggle Over Bonus,

For example, the railroad workers are for McAdoo, while the railroad owners are for Underwood. But the fact, generally lost sight of, is that in Pennsylvania, certainly, and prob ably also in the country taken as a whole, the railroad owners are mor numerous than the railroad workers The ownership of the Pennsylvania railroad, for example, is extremely widely distributed among many tens of thousands of men and women who have a few shares each.
