

DECISION IN DUNDEE BOUT CAUSES TALK

By DAVID J. WALSH. NEW YORK, Dec. 19.—Sport critics today are writing the epithets of legalized boxing in New York state as a result of the solemn decision of a referee and two judges that Johnny Dundee had beaten Jack Bernstein for the Junior light-weight championship on Monday night. The decision is referred to as the worst of many had ones rendered since the Walker law came into effect some four years ago. It is said that one of the first remedial steps to be taken by the state athletic commission will be a demand upon Tex Rickard to drive the gamblers out of Madison Square Garden. The effect was to send the odds of 8 to 5 on Bernstein tumbling to even money, and at one stage of the proceedings, to 6 to 5 on Dundee. It is understood that Rickard has pledged himself to drive the gamblers out of the Garden, as he did on the occasion of the Britton-Walker bout for the middleweight title, an affair that saw the odds fluctuate so sharply that the commission declared all bets off. Asked if he would match Dundee and Bernstein again, Rickard gave vent to an emphatic "Never, there might have been a riot on Monday. Meantime it is understood that the commission will ask for suggestions on the rendering of decisions in the future and one of them, coming from many sources, demands the abolition of judges and the constitution of the referee as the sole arbiter as in the days of the Frawley law.

Ford Will Not Fight Coolidge on Any Ticket

Declares He, "Like a Large Majority of People," Believes Country Safe in Present Hands.

By Associated Press. Detroit, Mich., Dec. 19.—Henry Ford today declared he, "like a great majority of the American people," feels that the country is "safe with Coolidge" and that he himself would never consider running against Mr. Coolidge on any ticket. "I believe it is the wise and natural thing for the people to agree on the nomination and election of Mr. Coolidge," Mr. Ford said. "I am satisfied that 99 per cent of the people feel perfectly safe with Coolidge, and I feel, too, that the country is perfectly safe with him. And if this is the feeling of the country, why change?" Has Pleased Countrymen. "Mr. Coolidge has shown in these months of service a great many qualities that should please his countrymen. I think they all feel that Mr. Coolidge means to do right. And when a man means to do right, so far as I have observed, it is usually quite easy for him to find the way to do right. "Some people seem disturbed over the conditions which business will face during the presidential year. Of course, there must be an election. But there is no reason why business should be disturbed by it if the people, by common consent, agree they will hold to a good man while they have him. Public sentiment can be so formed long before the election that there need be no doubt about the election. "In addition to considering the interests of the people, we should consider the interests of the president, as head of the American government. President Coolidge has a position of the highest responsibility. He should not feel compelled to take any of his time or strength for any sort of political campaigning, and for the sake of the country as well as for his own sake, he should not have to do so." Not Bothering. Asked concerning the use of his own name in connection with the presidency, Mr. Ford said: "No man has a right to say he will never consider public office, nor accept public office. No man can predict his own acts and feelings so strongly as that. But this I will say, that I would never for a moment think of running against Calvin Coolidge for president, on any ticket whatever. In this present situation I am for Coolidge. "Regarding the numerous Ford-President organizations and the recent Ford conference held here, persons close to the automobile manufacturer said he had given them "not half a moment's thought." "It was something Mr. Ford could not call in the police to stop," one official asserted, "so the club continued to function, although none of them has the sanction or support of Mr. Ford."

By Associated Press. Lansing, Mich., Dec. 19.—Nominating petitions entering Calvin Coolidge and Henry Ford as candidates in the presidential primary next April were accepted by the Department of State today. LAWRENCE—Work has started on a new Catholic church at this place, the excavation work already being well under way. The structure will cost about \$125,000. The edifice will be 60 by 140 feet of stone and brick, the common brick for the side and rear walls and basement work coming of concrete, and 10 carloads of dark glazed face brick from the Fairchild brick plant at Endicott. PERU—Lon Graf, coach of the State Normal football team, of Peru, narrowly escaped serious injury Monday afternoon when his automobile collided with another car on the Golden Rod highway near Johnson. Both cars were badly wrecked, but Graf and the driver of the other automobile escaped with a few minor scratches. TECUMSEH—Prof. John W. Webb of Sunol, Neb., was married to Miss Eunice Lockwood in Denver last week. Professor Webb is a Johnson county man. He is a graduate of the University of Nebraska and of the Nebraska state university. His parents, Mr. and Mrs. L. E. Webb, now are living at Brownville. Professor Webb is the head of a large consolidated school at Sunol, where the couple will reside. TECUMSEH—The United States civil service will conduct an examination at Tecumseh on January 5 for applicants for the postmastership at Elk Creek. The former postmaster, Orville Bicknell, resigned to take a rural route from his office. Mrs. Lucy Menckhaus is in charge of the office at this time. The salary is \$1,200 per year. TECUMSEH—Evangelistic meetings which have been in progress at the Crab Orchard United Brethren church for the past three weeks are drawing to a close. They have been successful. The pastor, Rev. A. J. Prosser, is being assisted by Rev. E. N. Rumbaugh, an evangelist from Stillwater, Okl. WYMORE—J. E. Mitchell, proprietor of the Elms Heights dairy, has just received five more head of pure bred registered Holstein cattle to go with his dairy herd. The shipment contained two cows, two heifers and one bull, and they came from the famous Dutchland Farms at Brockton, Mass., and have good papers. This now makes 89 milch cows in Mr. Mitchell's herd. He will conduct a sale at the farm March 27, at which several head of grade cattle will be sold and nothing but pure bred stock retained.

Cattleman Sued for Heart Balm. May Everett, through a firm of St. Joseph, Mo., attorneys, filed breach of promise suit for \$25,000 in district court this morning against William Underwood, cattle buyer for Wood Brothers, South Omaha, living at 517 South Thirty-eighth avenue. She alleges that he promised to marry her in September, 1921, and that he failed to do so. Not to Oppose Brookhart. Des Moines, Dec. 19.—J. H. Anderson of Winnebago county, speaker of the house of representatives, today authorized the statement that he would not be a candidate at next year's primary for the republican nomination for United States senator. The announcement followed closely upon a statement issued by Lieutenant Governor John Hammill that he would not enter the senatorial race. Both Anderson and Hammill have been prominently mentioned during the last week as possible opponents to Senator Smith W. Brookhart. Likewise, both have been frequently mentioned as almost certain to be candidates for the governorship. Friends of both Anderson and Hammill took their announcements to mean that they soon would announce themselves as candidates for the governorship.

BOOTH TARKINGTON Talking: When a picture's pathos makes a group of newspaper reporters cry visibly and sniffle audibly as "Boy of Mine" did last night, and then bring shrieks of delighted laughter from everybody the producer ought to be satisfied. The picture is so dignified and yet so humorous—so touching and yet so immensely truthful—that any writer might indeed be pleased to have his name associated with it. I congratulate you most heartily. Thus Does an Author Praise a Picture.
