FOR YANK BONUS

House Committee Refuses Right of Way-Mellon Again Raps Measure.

Washington, Dec. 20.-Soldiers bonus legislation received a setback yesterday with the refusal of the house ways and means comions of the treasury's tax bill. The committee declined, however, to sidetrack it until a decision is reached as to what changes should be made

The bonus was given another jolt by Secretary Mellon who declared in a letter to Representative Andrew, republican, Massachusetts, that if the compensation measure vetoed by President Harding were enacted the direct cost would total \$5,400,526,444. and would average \$225,000,000 for the first four years.

Mr. Mellon's letter in which he re iterated that passage of a bonus bill probably would prevent "any reduction of federal taxes upon a compre hensive plan in this generation," was in reply to an inquiry from Mr Andrew as to whether previous esti mates of treasury experts of the prob able cost were accurate.

Discuss Tax Plan First.

Under the program adopted at Under the program adopted at a two hour session of the ways and Funeral directors, 2224 Cuming. JA. 122 means committee, which must approve revenue legislation before it can taken up by the house, several ks will be devoted to committee consideration of the tax bill's adminis trative features. Then the question of whether a bonus bill is to be reported will be in order, consideration

of tax rates to follow. Bonus proponents in the commit tee made several unsuccessful efforts to have that legislation given priority. At the immediate outset Representative Frear, republican insurgent, Wisconsin, proposed that the committee proceed to consideration of the bonus bill. After his motion had been rejected Representative Oldfield, democrat, Arkansas, suggested that it be taken up by the committee either on January 4 or 15, while Representative Carew, democrat, New York, proposed that consideration should begin by

house by February 10.
