FOURTEEN DEAD L'ASYLUM BLAZ

Johnson to Put Vigor that comes from California is that even in Johnson's own state, Coolidge's friends, added to those who are not necessarily Coolidge's friends but are primarily and determinedly Johnson's opponents, can prevent Johnson from getting the delegates. Practically the only danger to Coolidge now and it is a real danger. in Campaign lies in the possibility that the republican congress may turn out to be unpopular, and that the country may

Keystone Speech Is Expected Early in Year at Cleveland -Ford Endorsement of Coolidge Damaging.

By MARK SULLIVAN. Washington, D. C., Dec. 26.-Senator Hiram Johnson and his manag ers will begin the new year with an effort to put vigor into his campaign for the republican campaign. One of the expectations is that the sen ator will make a keynote speech, and is said that the time will be early January and the place Cleveland. this expectation is fulfilled, i to hand in hand with the select on already made of Cleveland as the national headquarters of the John son organization and the official seat

of his manager, Frank Hitchcock. This is part of the known program of the Johnson organization which is to center their drive in the states of Ohio, Indiana, Illinois and Michigan, The first two are chosen because they are doubtful states, as between the Wednesday afternoon. republicans and democrats; and the latter are chosen partly because they are part of the heart of republican states in which Johnson was especially strong in 1920.

Basis of Theory.

The basis of the theory of the John- hospital. son managers is to try to be able, by than Coolidge in the two big repub- turned. lican state of Illinois and Michigan. They hope to be able to prove this by results in the primaries, which will take place in these states in April ribs. May. The burden of the Johnson hope lies in this effort to be able to show greater strength than Cooling in this vital territory and by this to convince the republican managers that Johnson can make a stronger campaign against the democrats in the subsequent election than Coolidge can.

The car overturned is called "death curve" by neighbors. The injured men were attended by a police surgeon and taken to Immanuel hospital.

Equipped with the license number of the automobile which yesterday interests the curve of the automobile which yesterday in this to convince the republican managers.

tering delegate of two in the hundred from New England. They have no strong hope of doing much among the more than a hundred delegates from the south, except in North Car- which Mrs. Lutes was riding, struck olina, and possibly one other southern state. They have some hope of get ting a considerable number of dele- hurt. gates from west of the Mississippi on the theory that Johnson represents the first hope western republicans have ever had of putting a westerner she cared to prosecute she might in the White House. But the total swear out a complaint. number of delegates west of the Mississippi is less than a fourth of the
