B. Brewer Resigns From The Omaha Bee

Sale of the holdings of B. Brew-At the same time announce ment is made of the resignation of Mr. Brewer as vice president

and general manager, effective

January 1. Mr. Brewer came to Omaha two years ago, purchasing an interest in The Omaha Bee from Mr. Updike and becoming the active ex-ecutive head of the organization as vice president and general manager. During the period of his office consistent progress was made by The Omaha Bee in circulation, in advertising gains and in prestige. Before coming to Omaha Mr. Brewer was connected with several large daily newspapers, including the Cincinnati

Post and the Cleveland Press. Mr. Brewer has obtained an option for the outright purchase of a daily paper in an eastern city of 100,000 population and expects to leave in a few days for

"The associations of my two years in Omaha have been indeed pleasent and I am quite relectant to leave," said Mr. Brewer, "but the opportunity of owning a newspaper of my own is too attractive

Short Road Force Caused Delay in Paying Bills

partment Is Noted by Federal Highway Chief.

Washington, Dec. 31.—Continual an amount equal to the stock held by them.

It is reported that some of the aid road work in Nebraska caused absolutely refused to pay the federal good roads bureau to send Clifford Shoemaker, an engineer, from Vivid Colored the Washington office to Lincoln. Shoemaker has been instructed to get at the bottom of the trouble and make a final accounting of the situation as it exists.

"The state has cut its force to alnost nothing and that, added to action of the state in presenting a great volume of vouchers all at one time to our engineers in Nebraska, has caused some of the trouble," Chief McDonald of the federal department said today. "Any figures given out by our chief accountant relative to the amounts available for Nebraska as against vouchers passed by our department and paid are absolutely
