THE

By THORNTON W. BURGESS. The Great Man-Bird Falls

Danny and Nanny Meadow Mouse from the Green Meadows up North add become so used to flying in the add become so used to flying in the way down to the Sunny South, that never failed to bring them good below them. had become so used to flying in the way down to the Sunny South, that never failed to bring them good below them.

they didn't think much about it when things to eat every day. They were One day they made a very early had day after day. He put them looked to see if he could guess where that the man-bird mas going to try they were up in the air. They were so used to the noise of the engine start. The aviator had planned to fly up where they could look down and they were going to land. they were up in the air. They were so used to the noise of the engine to another place many miles from see all that was below. They had They had their snug nest in a cup been staying of been flying for some time when sud board in the big man-bird, and the little cage where they could look course. Danny and Nanny didn't began to look to Danny and Sanny didn't began to look to Danny as if that was below. They had been staying of been flying for some time when sud denly the dreadful noise of the engine such as he knew that great man-bird were going to land in those could be such as he knew that great man-bird were going to land in those some time when sud denly the dreadful noise of the engine such as he knew that great man-bird were going to land in those some time when sud denly the dreadful noise of the engine such as he knew that great man-bird were going to land in those some time when sud denly the dreadful noise of the engine such as he knew that great man-bird were going to land in those some time when sud denly the dreadful noise of the engine such as he knew that great man-bird were going to land in those some time when sud denly the dreadful noise of the engine such as he knew that great man-bird were going to land in those some time when sud couldn't see any smooth, open place they had been staying.

Eut, look as he would. Danny ing to do something in a hurried and bird come down quite like that be-Directed for The Omaha Bee by Sol Hess anxious manner. They were going fore.

Those trees seemed to rush down. There was no doubt about that, right up to them. Then just as Danny thought that they were clean of the trees there was a snapping and tearing, and they struck the ground with a terrible crash. One of the wings of that great man-bird

There were trees around the field.

had struck the top of a tree, The cage in which were Danny and Nanny was thrown out and hit the ground so hard that the little door vas knocked open. Danny and Nanny were dreadfully shaken up. but they scrambled to their feet and out of that open door. Then they discovered that man-bird, standing on its head on the edge of the field, with one of its great wings broken off. Their friend the aviator was getting o his feet and feeling himself all over, as if to see if he were all whole
