Hart Schaffner & Marx were glad to have this store as the **EXCLUSIVE** Home of their clothes in Omaha; we're glad to have the clothes. As a result both concerns have gone the limit to make this introductory selling event an occasion that you'll never forget.

Hart Schaffner & Marx made liberal price concessions on bright, new Suits and Overcoats; fresh from their tailoring shops; we bought in quantities to give you unlimited variety and the price concessions give you the clothes at manufacturers' cost. It's the biggest thing of its kind ever offered to Omaha men—in the high degree of quality and low prices both. You'd better make your selections early.
