U. S. Sells Arms, Planes, to Obregon George F. Washburn of Giltner is re-

Large Supply of Guns and Ammunition to Be Delivered in 24 Hours.

By Associated Press

Washington, Jan. 4 .- The United States government has sold 5,000 Enfield rifles, model 1917; 5,000,000 rounds .30 caliber rifle ammunition; and eight airplanes to the Obregon government of Mexico.

Secretary Weeks, in a brief statement today, said the terms of the sale called for one half of the purchase price in cash and one-half with-

It was explained that the articles named did not include all of those requested on the original lists issued by the Mexican government, but that they would "meet the present re-

Orders for the delivery of the munitions, Secretary Weeks said, would

go forward within 24 hours. Arrangements have been made to turn over the ammunition and rifles to Mexican representatives from the San Antonio (Tex.) arsenal and at Arrangements have been made to Fort Bliss, El Paso.

The airplanes will be delivered at the Fairfield (O.) air depot, near Day

"This government has sold to the Mexican government," the statement said, "5,000 Enfield rifles, model of 1917: 5,000,000 rounds, caliber 30 ammunition and eight D.H. 4 airplanes. cash and one-half within 20 days. These articles do not cover the entire list requested originally, but the Mexican government finds they will answer it's present requirements.
