

Mad Bull Attacks Three Men; Is Shot

Byron, Neb., Jan. 7.—An infuriated bull in the pasture of Robert Harms caused considerable disturbance and

a near fatal accident. D. L. Robinson of Byron, neighbor of Harms, went to the pasture to take out some cows belonging to him. The bull attacked Robinson and tossed him into the air. His life was saved when he fell outside the fence where the animal could

not reach him. He sustained serious injuries. Robert Robinson, nephew of the injured man, who had accompanied him, jumped the fence and started after the bull with a pitchfork. The maddened animal also vanquished the

younger man and the fork in short order, and would not allow any person to come into the pasture. Harms, later shot the animal to save his own life, when it attacked him as he entered the fence to try to get the cows out for Robinson.

OTTUMWA—The Chicago, Burlington & Quincy railroad spent a busy year of construction here. A new machine shop, a mechanical coating station, a water treatment and purifying plant, and a new storehouse were erected, and the union station

was remodeled. Some track work incidental to the new buildings was done, and the road shared with the Chicago, Rock Island & Pacific railway and with the Morrill Packing plant the building of a viaduct over Iowa avenue.

DES MOINES—Federal employees who have offices in the federal buildings in Iowa cities have to be careful what sort of calendars they put on the walls. There is a federal ruling against the display of any calendars issued by advertisers and the only safe course is to display only the calendars sent out by each federal department for the use of the local officials. There is an annual wall calendar, at the scarcity of the federal calendar supply, when the annual shipment of calendars is received.

CALLAWAY—The first annual poultry and corn show will be held in Callaway on Thursday and Friday, January 24 and 25.

Gray Hair Is Quickly Darkened

Makes One Look Twenty Years Younger.

Men and women who used to be called Grandpa and Grandma are now setting the styles by darkening their gray hair with a simple home mixture.

For instance, J. A. McCrea, a well known Californian, recently made the following statement: "Anyone can prepare a simple mixture in five minutes, that will darken gray hair, and make it soft and glossy. Merely take a half-pint of water, add 1 ounce of bay rum, a small box of Barbo Compound, 1/4 oz. of glycerine.

These ingredients can be bought at any drug store at trifling cost. Apply to the hair twice weekly with comb. It does not color the scalp, is not sticky or greasy and will not rub off."

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there is no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimples.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c bottles.

AN OPEN LETTER TO WOMEN

Tells of Mrs. Vogel's Terrible Suffering and how she was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Detroit, Michigan.—"My troubles were severe pains in my back and terrible bearing-down pains in my right side, also headaches and sleepless nights. I first began having troubles when I was 15, and they have increased as I grew older. A little booklet was left at my door, and I read what Lydia E. Pinkham's Vegetable Compound has done for women and decided to try it. After the first week I could go to sleep every night and I stopped having that nervous feeling and got a better appetite. The doctor had always said that an operation was the only thing that would help me, but I never had any faith in an operation. Since the Vegetable Compound has started helping me I do not suffer the severe pains, feel stronger, and am able to do my own work. I am more than glad to tell my friends that it helps where other medicines have failed."

—Mrs. GUS VOGEL, 6608 Felouze St., Detroit, Michigan.

A record of fifty years service must convince women of the merit of Lydia E. Pinkham's Vegetable Compound.
