

Trial of Souder Deputy Is Begun

Move to Quash Indictments Against Former Lincoln County Official Fails.

By Associated Press.
North Platte, Neb., Jan. 8.—Selection of a jury to try Elmer Baker, former deputy treasurer of Lincoln county, on charges of embezzlement got under way late today, after Judge J. T. Tewell overruled motions to quash the indictments against Baker. Baker, who was a deputy under former Treasurer Samuel M. Souder, recently convicted of arson in connection with the burning of the old Lincoln county courthouse, was ousted after the fire and the subsequent discovery that the treasurer and deputy were short in their accounts. Baker is also charged with arson, but it is said he will not be brought to trial on this charge, as the evidence used in convicting Souder in no way connected the former deputy with the burning of the courthouse. The indictment charging Baker with embezzlement said that he was short more than \$9,000 in his accounts. It was thought the jury would be completed by tomorrow afternoon.

1,800 Birds on Display at State Poultry Show

Lincoln, Jan. 8.—Approximately 1,800 birds are on exhibit at the 39th annual show of the Nebraska State Poultry association. A feature of the show is the entries of L. P. Harris of Lincoln, who has entered birds in every state show since its inception.

Beauty A Gleamy Mass of Hair

35c "Dandarine" does Wonders for Any Girl's Hair

Girls! Try this! When combing and dressing your hair, just moisten your hair brush with a little "Dandarine" and brush it through your hair. The effect is startling! You can do your hair up immediately and it will appear twice as thick and heavy—a mass of gleamy hair, sparkling with life and possessing that incomparable softness, freshness and luxuriance. While beautifying the hair "Dandarine" is also toning and stimulating each single hair to grow thick, long and strong. Hair stops falling out and dandruff disappears. Get a bottle of delightful, refreshing "Dandarine" at any drug or toilet counter and just see how healthy and youthful your hair becomes.

Awards Announced in Corn Show at Lincoln

Lincoln, Jan. 8.—Colley and company of DeSoto was today awarded first prize for a single ear of yellow corn entered in the corn show being held in conjunction with Organized Agriculture. Charles Grau of Bennington, who is judging the exhibits, gave first prize for 10 ears of white corn to C. J. Bush of Auburn. Ten ears of yellow exhibited by R. F. Roggendach took a first place as did 10 ears of red corn, shown in the other than yellow and white class, raised by Rudolph Els of Humboldt. A feature of the exhibit is 10 ears exhibited by Fred Grau, son of the International Livestock show at Chicago. The ears were not entered in competition.

K. of C. Officers All Re-Elected

Thomas P. Redmond and J. H. Koepitz were elected directors of the Omaha Knights of Columbus lodge at the annual meeting of the organization. All officers were re-elected. They are W. C. Frazer, president; J. J. Fitzgerald, vice president; Arthur F. Mullen, treasurer, and J. C. Cogan, secretary. Certain amendments to the articles of incorporation were authorized, to permit the issuance of stock, preparatory to the erection of the lodge's new building at Twentieth and Dodge streets.

Nebraska News Nubbins

GUIDE ROCK—S. E. Chitwood has shipped another carload of fat Nebraska hogs to the Hardy Packing company, San Diego, Cal. The cars are protected about half way up with heavy roofing paper, and 40 bushels of ear corn are hung up inside the car in gunny sacks, and troughs are arranged in the car for water. By taking two carloads of hogs, Chitwood is passed free to southern California and back by the railway company. It takes about seven days for the one way trip by freight. The Packing company has found that fresh meat on the coast is obtained to better advantage in this manner, rather than having it butchered and shipped from packing houses in Missouri river cities.

McCOOK—Nebraska spends less for school supplies per pupil than do other states. This is one of the discoveries made by Superintendent J. A. True of McCook, who has been making a study of expenditures for school supplies and text books. Class A schools (larger) spent \$1.65 per pupil for supplies; Class B, and C) schools (smaller), \$2.05. The cost of text books per census pupil is \$1.15 for Class A, and \$1.50 for B, and C.

COLUMBUS—California-bound traffic from points along the Union Pacific's branch lines out of Columbus has increased more than 200 per cent during the past week while all trains westbound are carrying the heaviest run of Pacific coast traffic for winter in a number of years, according to railroad men. COLUMBUS—In spite of the intense cold weather during the past week no fires occurred in Columbus, marking a record for cold weather conditions here when fire alarms increase and is believed to be the only town in the state during the recent cold spell which did not have a single fire alarm.

COLUMBUS—W. C. Butts, former owner of the Butts' Drug store, who sold his business to the MacMillan and Spence Drug company, has returned to Columbus from Chicago where he has been traveling for a number of days and purchased a half interest in the store.

HASTINGS—The Hastings Chamber of Commerce Journal gives two pages to a report on school conditions. During the past five years

enrollment in the high school has increased 19.4 per cent, it finds. The teaching force has been increased but 16.2 per cent. A more or less similar situation prevails in many other Nebraska schools, and it is generally conceded that more building and teaching facilities will soon have to be provided to meet this growing demand. The alternative is to keep the boys and girls out of school.
