

Tricounty Water Body Holds Meet

All Officers of Association Are Re-Elected—Report on Potential Power of Flow.

Holdrege, Neb., Jan. 16.—The Tri-county Supplemental Water association held their annual meeting at Minden today. All of last year's officers were re-elected: C. W. McCaugh, Holdrege, president; George P. Kinsley, Minden, vice president; J. M. Clark, Hastings, treasurer; Kirk Gibbs, Hastings, secretary. Professor Russell and Burr of the University of Nebraska submitted a soil survey report of the soil can well take care of the water for supplemental use and produce good crops each year.

A report stressing the power that could be generated was given, indicating that between 20,000 and 35,000 horsepower could be taken from the flow, which would be ample power, not only to light the whole vicinity covered by the project, but also power enough for all purposes. The reports were not wholly completed and when completed will not be made public until approved by Commissioner of Irrigation D. N. Davis of Washington. Nearly 150 members attended the meeting.

Conklin First Democrat to File in Sixth District

Lincoln, Jan. 16.—The first opponent of Congressman Bob Simpson of the Sixth district appeared today when the nomination of Harry P. Conklin, democrat, of North Platte was filed. Conklin is a veteran of the world war. He was a first lieutenant.

It is understood that four demagogues in all will contest the party nomination at the primaries in the Sixth district, one of whom will be George N. Gibbs of North Platte. Gibbs gained considerable fame recently at North Platte in his prosecution of former County Treasurer Souder. In a letter received today from a Gibbs supporter, he is said to favor the bonus, oppose the Esch-Cummins law, and the working of the federal reserve bank.

Nebraska News Nubbins

COLUMBUS—John Ditter, Mongre (Neb.) blacksmith, was injured while shoeing a horse at his shop when the animal kicked him against the side of the building. Ditter was knocked unconscious. He probably suffered a fractured skull.

COLUMBUS—Joseph Borowiak, 75, Duncan (Neb.) resident for 40 years, died in bed at the home of his stepdaughter, Miss Katy Roslo, today. Two daughters survive. Mrs. Thomas Kurtz of Columbus and Mrs. John P. Sokol of Duncan.

BEATRICE—Below zero weather prevailed in this section of the state for nearly two weeks, it being the coldest snap here in years. The ground is covered with nearly a foot of snow and farmers say it is just the thing for the winter wheat.

GENEVA—At a meeting of the Community club last night for their regular monthly dinner, Prof. H. E. Bradford of the University of Nebraska gave an address on "The Old and the New." Professor Bradford covered the changes in social, educational and commercial conditions. Professor Bradford also talked before the high school assembly while in Geneva.

BEATRICE—Petitions are in circulation to have the name of D. S. Dalbey placed on the primary ballot as a candidate for delegate from the Fourth Nebraska district to the republican national convention at Cleveland June 16. Mr. Dalbey represented Gage county in the state legislature a few years ago.

GENEVA—First steps to boost the candidacy of Charles H. Sloan for United States senator were taken Monday night when a temporary organization was made with G. R. Borowiak as chairman and Tyler Edgcombe, secretary. A mass meeting at the courthouse in Geneva has been arranged for Friday night of this week and a permanent organization will be arranged.

BEATRICE—Henry Watson, 57, for 40 years a resident of the district, died at his home after a brief illness. He was a great lover of horses and was well known among horsemen in this section of the state. He is survived by two children.

BLUE SPRINGS—Silas E. Van Ripper, 71, who died in Lincoln last night, having settled here in pioneer days. The body arrived here today for burial beside his wife, who died several years ago. The funeral will be held from the Evangelical church.

REYNOLDS—The Burlington rail way has just finished ballasting and raising its track on the main line through this place with 218 carloads of cinders, unloaded and worked into the grade between here and Thompson during the last 60 days. The cinders do not hold moisture and frost so much as dirt.

BEATRICE—Funeral services for Fred C. Leber were held at the Scott-Harman chapel by Rev. J. M. Darby. Mr. Leber, who was employed as night fireman at the city waterworks plant, dropped dead while on duty last week. A widow and two children survive.

McCOOK—Sheriff Hudson of Frontier county lost a prisoner he was bringing to McCook just as they were entering the city limits. The prisoner struck the sheriff over the head and in the darkness made his get away. He was under arrest for carrying concealed weapons.

BEE—Ray Lusher, 13, son of Mr. and Mrs. E. R. Lusher, sustained a broken arm when cranking a car Saturday.

BLAIR—Twenty-five members of the Blair volunteer fire department, with two delegates of the Kenard fire company, have left to attend annual convention of the Nebraska Volunteer Firemen's association, open to a four-day session at Beatrice.

Adversaries Organize Ranks for Grim Leap Year Struggle at Nelson

Nelson, Neb., Jan. 15.—Leap year activities have begun here. A Loyal Bachelors club was organized last week and last night these distinguished gentlemen made their first public appearance of the new year en masse. A theater party was given them by themselves and 25 were seen occupying the front row. Badges bearing the warning: "Ladies, Beware," were worn, and their conduct has thrown consternation into the ranks of the marriageable women of the community.

A counter body is being contemplated which will be made up of leap year enthusiasts, who are determined that there will be a number of weddings in Nelson before next independence day, regardless of the fact that giving 10 days' notice has proven unpopular in Nebraska. The outcome of this "strife of 1924" is becoming interesting.

Plans Under Way for State Press Convention

Grand Island, Neb., Jan. 16.—Secretary Ole Buck of the Nebraska State Press association was in the city in conference with the chamber of commerce and representatives of the local publishers and printers, with reference to the annual meeting of the state association to take place here February 21, 22 and 23.

The winter meeting being a more purely business affair, not much in the entertainment line will be wanted for the day time, but the tentative plans now include a banquet by the chamber of commerce in cooperation with local craftsmen, on the evening of February 21, and an informal general family party on the evening of February 22.

Man Caught in Flywheel.

Shenandoah, Ia., Jan. 16.—Henry Klute, farmer, 33, whose leg was broken in five places, his left arm dislocated and his ligaments torn loose, when his coat caught in the flywheel of his cornsheller engine, was taken to the Ensworth hospital at St. Joseph. Mr. Klute and his wife and two children reside 15 miles south of Shenandoah, near Westboro, Mo.

BEWARE THE COUGH OR COLD THAT HANGS ON

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creomulsion, and emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with twofold action; it soothes the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Creomulsion is guaranteed satisfactory in the treatment of chronic coughs and colds, bronchial asthma, catarrhal bronchitis and other forms of throat and lung diseases, and is excellent for building up the system after colds or the flu. Money refunded if any cough or cold, no matter how long standing, is not relieved after taking according to directions. Ask your druggist. Creomulsion Co., Atlanta, Ga.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out.

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The simples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Mentho-Sulphur and use it like cold cream.
