whistling stations."

Mr. Cone has come to another conclusion, to the effect that the personal of the interstate commerce commission can be improved to a marked degree and the men on the commission can become more representative of the people at large.

"My idea is to make the chairman of every state railway commission a member of this committee," Mr. Cone said. "In that way men who are the choice of the people will be on the commission and we'll do away with some of these lame duck appointees."

While here, Mr. Cone called upon the Nebraska delegation in the lower house. Then he went to the senate, where he talked with Senator Howell, Kelland's story, "The Steadfast wandled by the stern of the static of the people will be on the Nebraska delegation in the lower house. Then he went to the senate, where he talked with Senator Howell, Kelland's story, "The Steadfast has a cluster of the people will be on the commission and we'll do away with some of these lame duck appointees."

Relieves Mothers From Worry

Getting the children safely to school these stormy winter mornings is a serious problem for careful mothers. Icy pavements and speeding traffic are a constant menace.

Why not "double up" with several of your neighbors and use a YELLOW CAB? By "splitting the fare, two, three or four ways" the cost is insignificant, when your freedom from worry is considered.

It is a reassuring sight to see your little ones carefully bundled into a warm, clean YELLOW CAB and know that they will be delivered right to the door of their school. And then, if you desire, a YELLOW CAB will call for them in the evening and bring them home.

Shopping trips can also be arranged on the same thrifty basis. A YELLOW CAB will prove a welcome relief from crowded, poorly ventilated street cars. You and your friends will be agreeably surprised to learn how trifling the expense of a round trip downtown is when it is divided among several

There are dozens of ways in which a YELLOW CAB can help make life more comfortable and happy. Hail one on the street when you need it, or call us on the telephone and it will be at your service in less than ten
