

County Will Pay Bossie's Return

Officials Willing to Go After Clerk If Prosecution Is Assured.

Sheriff Mike Endres is willing to go to New York and bring Claude Bossie, former city clerk, back to be prosecuted for wife abandonment, he announced Friday morning.

And county commissioners will pay the expense of bringing Bossie back, provided they are assured he will be prosecuted after he is returned.

County Attorney Beal has had bitter experiences in the business of prosecuting wife deserters, but he also intimated he would be willing to make a trip to New York.

"I don't say that I would be the one to go," explained Sheriff Endres. "But I wouldn't mind going, if the county commissioners would pay for the trip."

"We believe in paying expenses when necessary, and if we are assured that Mrs. Bossie won't make up with her husband the minute he returns, and that he will be prosecuted to the fullest, we'll pay to bring him back from any spot in the United States," chorused two county commissioners.

"I think there should be a bond put up so that if Bossie wasn't prosecuted the expense of the trip would not rest on the county," said Beal. "In many cases, this sort of wife is so glad to have her husband back that she falls tearfully on his neck and forgets about being mad at him."

Move on in N. D. for La Follette

Name to Be Placed on Primary Ballot as Candidate for President.

Fargo, N. D., Jan. 15.—A movement to place the name of Senator Robert M. La Follette of Wisconsin on the ballot at the March 18 primary in this state as a candidate for president and announcement that two sets of Coolidge delegates to the republican convention would be in the race, were important developments last night in North Dakota politics.

Following conferences here with La Follette supporters, Gerald P. Nye of Cooperstown, candidate for congressman for the second district, said that a state wide campaign would be started immediately to put Mr. La Follette's name on the ballot.

At a meeting yesterday the independent republican state central committee endorsed President Coolidge and called a state delegate convention for Bismarck on February 14 to name 13 delegates to the Cleveland convention, as well as a candidate for national committeeman.

The regular republican committee, meeting recently at Bismarck, had endorsed President Coolidge and named its delegate candidates. Efforts by L. B. Hanna, Coolidge campaign manager in North Dakota to effect a compromise with the "independent" committee yesterday failed. He proposed a new convention in which the various factions would get together but his offer was turned down.

Husband Took Her Money.
Woman Sobs at Divorce Trial

"He left with my \$2,000—all I had in the world," sobbed Mrs. Ella Schiewek, 3415 B street. "He said he would come back soon, but he never did."

On the strength of Mrs. Schiewek's testimony she was awarded a divorce decree yesterday. She is now employed by the Union Pacific hotel. They were married on May 23, 1919. Her husband left her on May 23, 1920, she says.

Thief Uses Unique Method to Lead Victim Off Scent

Columbus, Neb., Jan. 15.—J. L. Hardy, Randolph (Neb.) farmer has notified police in Columbus that he had been neatly and uniquely fleeced out of \$160 in travelers' checks.

Hardy was sitting beside a genial stranger on the Norfolk to Columbus evening Union Pacific passenger train. The traveler asked Hardy if he, Hardy, used travelers' checks. Hardy said he did. The stranger said, "Well then, I guess you're the man I saw leaving a bunch of travelers' checks on a window ledge in the Norfolk depot."

Hardy had the conductor stop the train and walked back to Norfolk, a distance of two miles. When he got there and couldn't find the checks he realized the stranger had searched his pockets before directing him to the absence of the checks, using the use to get him off the train.
