## Takeo Harada Coming to Front as Leading Japanese Tennis Player

By VINCENT RICHARDS.  
National Indoor Tennis Champion.  
EVY YORK, Jan. 25.—A new national tennis champion has appeared in Japan. He is Takeo Harada, formerly a student of Keio university. Harada won the second annual championship of the Japanese Lawn Tennis association held at Osaka, November 21, to November 28, when he defeated Tobe, 5-7, 6-3, 5-7, 6-2, 6-2.

According to a recent statement made by Zenzo Shimidzu, captain of the Japanese Davis cup team last year, Harada is expected to come to American early next spring. He will play in a number of the leading tournaments and will in all probability be a member of the Japanese Davis cup team, should Japan challenge for the international team trophy in 1924.

Harada succeeds Fukuda, who won the first Japanese association cham-

ampionship a year ago and who afterwards came to this country as a member of the Japanese Davis cup team last summer. Fukuda won the 1922 championship when he defeated Ohta in straight sets. Harada took the measure of the same player in the semi-final round of the recent championship in a much easier fashion.

The new Japanese champion has made rapid advancement in the game during the past two years. In 1922 he was defeated by Fukuda, who is now living in the United States. Since that defeat Harada has evidently improved tremendously. This would be borne out by the fact that immediately after the Japanese championship, he met and defeated that great international player, Ichijo Kumagae, in straight sets. Reports have it that although the famous "Ichy" was not in perfect condition he retained full control of his racket and court technique. Harada's victory was as impressive as the scores would appear to indicate.

This new Japanese sensation will reach America during the early part of April, and will enter one of the well known universities for a post-graduate course following his studies at home.

## Sarazen Wins Opening Match

By Associated Press.  
San Francisco, Jan. 25.—Gene Sarazen, American professional golf champion, was the victor by three up in the first half of his 72-hole match with Arthur G. Havers, holder of the British open title, played today on the Lake Merced Golf and Country club links.

Sarazen will carry his lead to the second half of the match, which will be played at the Hillcrest Country club at Los Angeles Saturday.

Sarazen was much steadier throughout the day's play than the British champion. Rain fell most of the day, and in the afternoon most of the greens were muddy. Several times the contestants used mashes on the greens to drive through the water.

Havers outdrove Sarazen in the afternoon round, but was unable to negotiate the pond-like greens. Sarazen, however, was steady in the vicinity of the cup and got most of his lead in this way.

The total cards for the 36 holes were: Sarazen, 151, and Havers, 153.
