## Kansas Jayhawkers Keep Slate Clean by Trimming Nebraska, 13-10

Huskies Hold Lead Until Last Ten Minutes of Play When Visitors Rally and Win.

**L**INCOLN, Jan. 27.—Kansas came back again Sunday night with a second half rally which scored the Jayhawkers another victory over Nebraska and ran their consecutive wins up to 23. When the final pistol shot found the score sheet showing a 13 to 10 count with "Fog" Allen's five on the best end.

The game was slow from start to finish. Kansas was held without a field basket in the first half and when that period closed the Huskies were enjoying a 6 to 3 advantage and the knowledge that they had outplayed the champions for the first 24 minutes.

The second half was a different story and Kansas began teaming the ball effectively, feeding down to a good shot and taking it. The Huskies were trying from all angles with little success.

Goodson started the proceedings with a field goal from the side and Vois, Kansas guard, followed shortly after with a shot from in front of the basket. Cozier slipped a long shot in for the Huskies.

Ackerman, with one and Captain Black with two free throws ran the Kansas' total three for the half.

The angular Ackerman, whose long shot it was that beat the Huskies at Lawrence last week, was the big feature in again defeating Coach Kline's quintet. He started the rally soon after the second half opened with a field basket and followed it a moment later with a free throw that tied the count.

When Captain Black of the invaders slipped a long shot from the center through net for another two points and the blonde Ackerman followed with another, an under the basket shot, the game was led by Tipton fired the hopes of the Nebraskaans when he arched a perfect shot from the floor, but when Leo Black, substituting for Cozier, fell on two attempts at free throws with two minutes to play, the Huskies became reconciled to their fate.

The Kansans kept the ball and did not take a shot, the Nebraskaans finally rushing them to get it. It was two late then.

Both teams were weak on free throws, Kansas players missing seven out of eleven chances and Nebraska four out of many.

## Plattsmouth Loses to Blue in Close Contest

O'Brien and Coffey Star for Winners, While Chase Plays Best for the Losers.

**R**EIGHTON Prep Collegers annexed another victory by winning from Plattsmouth High Saturday night at the Creighton gym by the score of 18 to 14.

Plattsmouth held the lead until the last eight minutes of play when the Blue preppers staged a typical Creighton comeback and netted three tales to Plattsmouth's one free throw and came away with the large end of the score.

The preppers were decidedly off form and played a very ragged game while the crew from down town was in their best form of the season.

To Krejci of the invaders went the honors of the first blood of the contest when he tipped a jump ball through the hoop. Noylan was the first to count for the Blue squad by making a free throw and Coffey followed with a neat ball's eye from under the basket.

With eight minutes to go, O'Brien started the Blue scoring. Moylan followed his example and O'Brien registered again. Hatt made a free throw for the invaders and Coffey scored another counter.

Soon after the second half started a technical foul was called on the Plattsmouth rooters and Coffey registered the free throw. Krejci dropped another from the center of the floor and Chase followed with another tally. The preppers then revived and Plattsmouth failed to sink another field goal for the balance of the game.

When eight minutes to go, O'Brien started the Blue scoring. Moylan followed his example and O'Brien registered again. Hatt made a free throw for the invaders and Coffey scored another counter.

## State League Clubs May Join Tri-Circuit

President Grotte Says Western Hasn't Asked Permission to Place Franchise in Nebraska Capital.

**D**IRECTORS of the Nebraska State baseball league are not over-anxious to have the Western league enter Lincoln and establish a franchise in the Nebraska capital, according to the latest gossip.

The reason for all of this is due to the fact that "Pa" Ternery, president of the Western, has not said one word about placing a franchise in Lincoln, to the members of the state circuit. The Western, so it seems, is going about the task of inviting Lincoln to join its circle without first asking the State league's permission.

One of the numerous rules in organized baseball says that before a league can enter another league's territory and place a franchise, that circuit must first gain the consent of the loop which it is entering.

When Ternery held a meeting in Chicago to talk over placing a franchise in Lincoln, officials of the Lincoln State league club were invited, but not President Dick Grotte. The other directors of the Nebraska circuit are sort of peeved over that affair.

Then again, the Nebraska State league directors are getting tired of sitting around waiting for something to happen when they could be holding meetings and making plans for the coming season. As the case stands, the state moguls have an inkling that the Western wants in Lincoln but are not over-anxious to lose Lincoln from their circuit.

Should a Tri-state league be organized with the above mentioned towns as members, the longest jump would not be more than 200 miles. This circuit, baseball men point out would help to boost trading between these towns, and that is what the merchants of this section of the country are after.

## Guarding of Sioux City Quintet Causes Downfall of Central Five

THE Central High basketballers failed to penetrate the Sioux City (Ia.) five-man defense on the Technical court Saturday night, and dropped a game to the outstayers by a 19-to-12 count.

The Iowaans, combining a man barricade coupled with a passing attack, pulled up a commanding lead which was never challenged.

Both teams were weakened by hard games played the night before, while unfamiliarity with the big gym slowed up the county. The Central Five, Marrow drew first blood with a free throw. A brace of free throws by Spencer, and a pair of goals flipped by Twogood and McBride sent the Iowaans to the front.
