Lewis' Powers Hang in Balance

Roll Call Being Taken on U. M. W. President's Appointive Authority.

By Associated Press.

Indianapolis, Ind., Jan. 30.—Unofficial tabulations gave the administration forces of the United Mine Workers of America a majority of 119 votes on the roll call of the delegates to the biennial convention and retained to them the appointive powers of the organization. The unofficial vote was 2,120 votes in favor of retaining the present secretary of the constitution which permits the administration to appoint organizers and other officials and 51 against.

Indianapolis, Jan. 30. — Appointive powers of International President John L. Lewis hung in the balance today as the roll call of delegates to the United Mine Workers convention was resumed, following a partial roll call yesterday, which gave a vote of 1,528 to 1,475 in favor of the proposed change.

Insurgents have given their entire strength to this fight, their leaders announced and they expect to maintain their lead throughout and accomplish the change by a safe margin. Administration supporters on the other hand, declared the lead of 53 votes gained yesterday will be overcome when the districts of the southern and western states vote and that the president will be upheld by a majority of between 200 and 300 votes.

Districts that administration supporters count on to accomplish this are those in Iowa, which will be called first his morning and then West Virginia, Kentucky, Tennessee, Alabama, Colorado, Wyoming and Montana. They expect to lose Kansas, Maryland, Canada, Nova Scotia and Michigan districts.

This roll call will consume the entime morning's session, it is expected. Afternoon rereading of constitutional amendments will be resumed. Hope that was bright Monday for adjournment this week-end was clouded today and should more prolonged arguments develop today it was declared almost certain the sessions will continue until next week.

A Queer World

N. Y. Movie House Catches on Fire—Do Patrons Rush Out in Panic?—No—Demand Back Price of Admission.

Thrifty.

New York, Jan. 30.—A performance was in progress at the Caruso theater, a vaudeville and motion picture house in the lower east side, last night, when smoke began to drift across the stage and into the audience. But instead of rushing for the exits, a majority of the 1,200 persons in the auditorium at first refused to leave the building without assurance from the management that the price of admission would be refunded.

Finally as the theater manager argued with the crowd from the stage, the smoke became so thick that the crowd reluctantly abandoned the demand for a refund and filed through doors and fire escapes to the street. The fire damaged the property room and first floor of the theater.

Only a Joke.

Chalon-Sur-Saone, France, Jan. 30.—The assize court has acquitted Count Ferdinand De Jouffroy Dabbans, former attache at the French embassy in Berlin, on a charge of bigamy.

Count Dabbans is a member of one of the most aristocratic families of France. He is a descendant of Marquis Jouffroy Dabbans, who first applied steam to navigation.

The count was born in San Francisco while his father was French consul there. At the trial it was brought out that he had married an English woman named Charlotte Stellin in Folkestone, England, in 1914. In 1919 he wedded a French heiress, Marie De Saint Innocent, although the first marriage was not dissolved by the court at Dijon until 1922.

The count contended that the first wedding was only a joke and that no one ever considered it valid since the bans were not published in France. The judge sternly rebuked the defendant, asserting that he had played with the law and was trebly guilty on account of birth, education and his association with the diplomatic service.

However, the jury was more indulgent and acquitted Count Dabbans after five minutes' deliberation.

$5,250,000 Suit Is Dismissed.

New York, Jan. 30.—After three weeks of trial, the $5,250,000 suit brought by Max Hart, booking agent, against the B. F. Keith Theatrical Exchange, Inc., the Orpheum Circuit, Inc., and other vaudeville interests, was dismissed Tuesday by Federal Judge Augustus N. Hand.

The suit was based on charges that the defendants conspired to boycott acts booked by Hart so as to ruin his business. Judge Hand held that as actors traveled with their paraphernalia from state to state, the business of booking them did not fall within interstate commerce provisions of the Sherman anti-trust law.

Mother Rescues Two Tots.

South Bend, Ind., Jan. 30.—Mrs. Fred Fifes left her three little children alone in her home when she called on a neighbor last night. The house was in flames when she returned. She rescued a baby of 6 months and her daughter, 3, but her little son, 2, was burned to death. The other children were seriously burned.

Heyn Orchestra on Radio Bill

Omaha radio enthusiasts are due to receive a rather out of the ordinary treat Thursday night, when a program is to be broadcast during the dinner hour.

For the first time in a year Hugo Heyn and his orchestra will go on the air, playing what they term "symphonic dance arrangements." Several of these arrangements recently have been completed by Edwin Kahn, pianist, and by Mr. Heyn.

Ex-Congressman Dies.
