

Fall Affair Will Unite Parties for Conservation

Roosevelt, Pinchot and Daniels Outstanding Figures in Campaign for Federal Control of Resources.

By MARK SULLIVAN. Washington, Jan. 30.—One of the most certain outcomes of the Fall affair is the revival of conservation, but it will not be revived as an issue; it will be resurrected as an accomplished thing with everlasting life.

Many Advocated Plan. There were many men and many communities in the west, who advocated with an entirely honest spirit the policy of getting rid of the public ownership of lands, minerals, oil and forest, so that they could be more rapidly developed in private hands.

Daniels for Conservation. In the Wilson administration, probably the man who fought more vigorously and successfully than any other in favor of conservation was Josephus Daniels.

After Fall's first lease of oil lands, when the point was raised, among others, that the Navy department and not the Interior department had control of these lands, Fall answered that he was "acting as the agent of the commander-in-chief of the army and navy" by which he meant President Harding.

ADVERTISEMENT. ACID IN STOMACH SOURS THE FOOD. Says Excess of Hydrochloric Acid is Cause of Indigestion.

A well-known authority states that stomach trouble and indigestion are nearly always due to acidity—acid stomach—and not, as most folks believe, from lack of digestive juices.

He tells us to lay aside all digestive aids and instead get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast, while it is effervescent, and furthermore, to continue this for one week.

Keep stomach sweet—live active—bowels regular—only 25c.

Modern Ben Franklin \$8,000 in Bank, but Slept at City Jail

Saved 50c, but Lost 85

Freemont, Neb., Jan. 30.—With all due respect to Benjamin Franklin, he could have learned much about thrift from Charles Cornell, 28, of Sioux City, who, despite the fact that he possesses nearly \$8,000, applied to the Fremont police station to save a night's lodging in a hotel.

When Cornell appeared at the station and asked for a place to sleep, he gladly was offered accommodations. But every lodger is searched and his possessions placed in the care of the desk sergeant for safekeeping before he is assigned to his bunk.

Children are subject to constipation. In the excitement of play, they neglect themselves and foster this dread disease. More than forty other diseases can be traced to constipation. Don't delay. Begin at once to cleanse their systems of the dangerous poisons.

Kellogg's Bran, cooked and crumbled, is guaranteed to bring results if eaten regularly, or your grocer will return your money. It is guaranteed because it is ALL bran! Nothing but ALL bran can be 100 per cent effective. Kellogg's Bran is recommended by doctors everywhere—they know from experience that it brings results.

Penniless Pair Hikes 500 Miles

Young Married Couple Aided at Columbus After Walking from Denver.

Columbus, Neb., Jan. 30.—"Dead broke," looking for a job in every town they passed as they walked from Kearney to Columbus, a young married couple, who spent the night trying to sleep in the Union Pacific passenger station here, attracted police attention.

Investigation showed that they are Mr. and Mrs. Pape, married two years ago at Red Oak, Ia. After their marriage they decided to go to Denver. The husband lost his job in Denver and he and his wife walked to Grand Island. Arriving at Grand Island, they found they had only 25 cents between them.

When they arrived at Columbus they were out of funds. Having gone for 48 hours without food and walked 62 miles since eating last, they were taken to the police station, given an order on a local hotel for a meal on the municipal charity fund and railroad fare to Council Bluffs.

Beatrice, Neb., Jan. 30.—Interest in political developments in this corner of the state centered today in the announcement that District Judge Leonard W. Colby would enter the race for re-election in the Gage-Jefferson district, and that Loren Laughlin, Beatrice attorney, has accepted a filling made by friends which will place him in the Gage-Pawnee state senate nomination race.

Another development tonight which will add interest to the campaign was the announcement by Attorney Lloyd Crocker, Beatrice, in a telephone message from Lincoln, that he would file tomorrow for the republican nomination for congress from this (the Fourth) district.

Cat Gives Alarm When Water Threatens Store

Freemont, Neb., Jan. 30.—The cries of a pet cat led to the discovery of a broken water pipe and saved the store of John Hauser, local stationery and novelty merchant, from considerable damage, after the place had been locked up for the night.

A leaky pipe in the offices of Dr. P. H. Berhenke, above the Hauser store, permitted water to run through to the floor below. The cat, locked in the store, set up a series of cries, attempting to attract aid. It tore and scratched at the door until a family residing in apartments at the rear of the second floor were awakened by the cat's alarm.

The owners of the office and the store were notified in time to prevent a total loss of the entire merchandise.
