

Will Your Family Be Happy Next Spring?

If yours is one of the few remaining families lacking an automobile, no doubt you have finally decided to get one within the next four months.

If you have not so decided, better make up your mind NOW that you are going to bring your family up-to-date by providing the modern means for economical transportation.

A low-priced, modern automobile like the Chevrolet has become indispensable to the American family of ordinary income. Without it they are prisoners on limited range—like hobbled horses in a pasture.

A million other families can easily prove to you that

The Better Way Is With Chevrolet

The inspiring beauties of Nature, the interesting and educational features of other places and other types of people and ways of living remain things to be read about, or seen dimly in cold photographs, until you are free to GO TO THEM at your convenience and pleasure.

Suppose you have definitely decided to buy a Chevrolet next Spring.

That does not necessarily mean you are going to get it.

Anyone posted on conditions in the automobile business will tell you that thousands of families in this locality are going to be unable to get cars next Spring. That has been true almost every Spring for the last ten years, but the shortage in April, May and June, this year, is going to be more serious than ever before.

for Economical Transportation

There are just two ways of making sure of getting your Chevrolet for use when the flowers and balmy breezes of Spring lure you to the country roads:

Buy it NOW, or Order it NOW.

If you do not want to pay for it in full at this time, any Chevrolet dealer will arrange terms to suit your convenience, so you can *pay as you ride*.

You will be surprised to learn how easy it is to pay for a Chevrolet and to get possession and use of it.

If you want to order one for Spring delivery, we urge

you to do it at once, so the dealer can in turn arrange NOW to include your car in his stock order.

That is the only way he can be sure of making delivery when you want it.

Please realize these statements are made by us in good faith, and we mean just what we say about the prospective shortage of cars.

The only way to be sure of a Chevrolet next Spring is to order it NOW.
