Thompson-Belden's JUBILEE

One year ago, C. C. Belden and his associates took over the operation of this business. During this last year the store has made the greatest strides forward it has ever accomplished. We celebrate by giving to our friends, old and new, the best values that we have been able to obtain. New Spring fashions, staples that every housewife needs every day, and luxuries that are usually bought at excessive prices, all will be found in the offerings of this Jubilee. We invite you to share in our good fortune.
