### Enjoyed Personal Friends.

To old personal friends, who .called on him, he revealed not only seri- hand and a network of diplomatic ous reflections about what should he done; but also a whimsical humor about the course of the world. Among the friends who called most often, who had in their personalities some panacea for all their ills, while the traits of mind and temperament that statesmen with whom he had to deal brought comfort and refreshment to his spirit, were B. M. Baruch of New mediately concerned in indemnities York; Senator Carter Glass of Vir. from Germany and material guarginia, and Vance McCormick of Har-risburg, Pa., all of whom, in one of-dreams of world conquest. Mr. Wil-Mfg. by Omaha Concrete Burial Vault Ca fice or another, had been important son firmly believed his league of naagents in Wilson's conduct of the tions such a guarantee, and he openwar, and in his effort to achieve the ly set about to enlise the peoples of kind of peace he tried to make at Europe on his side so solidly that On addition, there was one its statesmen would be obliged to Taris. her who was not only steadfast yield. He openly acknowledged that iend, but tireless physician and as his purpose.

wise counsellor as well, Dr. Cary Grayson. For anything like a reasoned esti-

mate of Wilson's career, the space is too brief, the time is too early, the data is not yet all available, and the occasion is not wholly appropriate. The writer ventures to express the conviction that Wilson belongs incontestably among the giants. To say this is not merely the mood of the moment, but is the result of much observation, and of an amount of reflection so great that the mere quantity of it is an evidence of how how demanding of compelling. thought, Mr. Wilson's personality and career were. That personality might inspire you to be sympathetic or it might not. Mr. Wilson's purposes might commend themselves to you or not. But in either event, you were compelled to admit the quantity of and see for himself what damage the the personality and the immensity of Germans had inflicted. He believed
