

Mrs. Carl R. Gray Pleads for Homes

Moral Progress Urged at Joint Meeting of Noonday Clubs—Love Is Discussed.

"Having an affinity isn't love; human affection isn't love; nor is animal passion love," said Mrs. Carl R. Gray yesterday during a talk to a joint meeting of the Kiwanis and Continental clubs at Hotel Rome.

"Love comes only from God," she told 200 men at the tables. "You must be born again."

"What can we do for Omaha?" was her subject. She stressed the thought that moral progress is as essential as commercial achievements. She referred to homes where righteousness abides.

"Is your wife your partner or your slave?" she asked. "You took her away from all other men. You couldn't send her enough candy and flowers before you married her. Have you written your wife a love letter recently? Don't you suppose that she enjoys flowers and candy as much as she did before you married her? You may have forgotten that your wife still wants to be loved and wants to be told so, now and then."

Mrs. Gray said she was pleading for the homes of Omaha.

"What are you doing to help the morals of the women of Omaha?" was another query. "Are you drinking with the women of Omaha? Are you gambling with them? Are you smoking with them? Are you haranguing with them?"

"I have been told that there were 103 more divorces granted in one recent month in Douglas county than there were applications for marriage. Do you know what that means?"

The speaker was introduced by G. W. Noble.

Moving Munny Courts Will Cost Big Sum

Mayor Dahlman and City Attorney Van Dusen were informed that alterations costing \$51,000 will be necessary to accommodate four municipal courts in the Douglas county courthouse and that the city will have to pay a rental of \$1,000 a month if it insists on the county furnishing this space.

"We based the rental figure on second floor offices in the vicinity of the courthouse," said County Commissioner Kubat.

Mayor Dahlman expressed himself as being in doubt as to whether the moving of the courts from city hall to the courthouse is practical. His attention was called to the fact that Ak-Sar-Ben and several other organizations would have to move out of the courthouse should the courts be moved there.

15 Counties Will Stage Coolidge League Meetings

Coolidge league meetings will take place in 15 county seats during the week, it was announced yesterday. The Douglas county club, organized a week ago, with 500 members, is now composed of more than 1,500 members and is growing every day, say organizers.

Practically every county in the state has men and women who have accepted the position of director in the league. Directors are now taking steps to form clubs, not only in county seats, but also in smaller towns.

Superior High Wins From Hastings High in Debate

Superior, Neb., Feb. 8.—Hastings High school lost to Superior High school in debating the state question, "Resolved, That Immigration Should Be Further Restricted." The Superior team, composed of Paul Montgomery, Lloyd Speer and George Johnson, upheld the affirmative of the question. The Hastings team, composed of Louis French, Kenneth Brown and Clarence Bierman, debated the negative. The decision of the judges was unanimous for Superior.

Mayor Holds What's Fair for Wilson Is Also Fair for Lenin

Milwaukee, Wis., Feb. 8.—President Coolidge did not send condolences to Russia when Lenin died—so why should Mayor Hoan send condolences to Washington on the death of Woodrow Wilson?

This was the defense of Mayor Hoan's refusal to express Milwaukee's sympathy on the death of the war president, as advanced today by Louis Arnold, tax commissioner.

Mr. Arnold's statement was made after a score of state organizations condemned the mayor's action as unpatriotic and un-American.

Jewelers Object to Marriage Law

Statute Cost Then \$5,000,000, President Says—Amuses Code Body Member.

Lincoln, Feb. 8.—The repeal of Nebraska's marriage law will be one of the more important questions for consideration at the Nebraska Jewelers' convention, to be held at Grand Island February 18 to 20, R. A. Goodall of Ogallala, president, said here today.

Nebraska is losing \$5,000,000 a year because of the law, Goodall said, and added that his estimate is based on the amount spent by couples outside the state.

Mrs. Draper Smith was on the children's code commission which worked for the marriage law. She is amused at the attitude of the jewelers.

"Since they have approved the law, why do they wish its repeal?" she asks.

"They don't really know how much they are losing each year because of this law. Merchants all over the country did not do so much business last year as they have done in former years. Their alleged loss to the state of \$5,000,000 is rather large."

Howard Kennedy, who also was on the commission, said that money loss was not a sufficient reason for asking repeal of the law.

Dr. Palmer Findley was another Omaha on the commission.

Charter Amendments to Be Asked by C. of C.

Charter amendment committee of the Omaha Chamber of Commerce will present three amendments to the city council at its meeting Tuesday morning, according to Assistant Commissioner William Ellis.

KNOW OMAHA

—for knowing it will insure greater interest in its future

You'll Never Hit the Ball With the Bat On Your Shoulder

The men who make a city are the fellows who "swing" for the things worth while. Too many men die on third base. They lack the nerve to "hit the ball" and follow through. Let's "score" for Omaha. We've got a wonderful city—it offers unlimited opportunities to red-blooded men who will dedicate themselves to its service for a bigger and better city. Tell the world about Omaha—it's a great place to live!
