Entire Town of Geddes Takes Up **Hunt for Doctor**

League Formed to Aid in Search for Dr. Fyle Offers \$2,000 Reward for Information.

Geddes, S. D., Feb. 10 .- After a meeting of the executive committee of the newly formed "Search for Dr. Fyle league," consisting of Dr. Fyle's sister, Mrs. May Fyle Wheddon, the city mayor, president of the school board, president of the commercial club, master of the Masonic lodge, pastors of the Catholic and the community churches and the elected officers of the league, the following signed statement was issued:

'A cash reward of \$2,000 is offered for information leading to the location of Dr. Fred E. Fyle or the discovery of his body if he is dead, re ward to be paid upon satisfactory proof or identification of his person or body. There are no strings tied to this reward. It is available in cash. We have only one purpose at this time, that is to locate Dr. Fyle.

The doctor was last seen leaving Sioux City, Decmber 11, 1923, at 3:30 m., in a Ford coupe, advising friends that he was going to Geddes, his home, where he has a large hos pital and practice.

"A description of the doctor and his car is as follows: He was \$2 years of, age, 6 feet 2 inches tall, weighed o pounds, iron gray hair, large blue eyes, drooping eyelids, had full set of false teeth, a dark brown round mole size of a dime on left temple scar on right side of back near kidney

'When last seen he wore a gray suit, gray hat, long grayish brown overcoat. The car he drove was a Ford coupe of 1920 make, with three speed gear shift, water pump, rebound checks on rear and shock absorbers. The 1923 South Dakota license number was 52,358, engine number is 5,642,598. There is a hole drilled in cover of rear compartment size about one-half inch, near keyhole. One engine hanger casting was broken and repaired.

"In addition to the liberal cash reward, without qualifying conditions this committee is asking the help of every possible fraternal, civic, gov ernment, private and public agency including radio broadcasting stations, in the nation-wide search. All that is being done here is purely from a humanitarian standpoint.

'The entire community has volum teered to see this search through until he is found. Dr. Fyle was a Consistory Mason, a Shriner, an Elk, an Odd Fellow, a Woodman and a member of the Methodist church. He was & man of exceptionally wide and good reputation and a highly skilled physician and surgeon, thoroughly conscientious in his practice.

The slogan here is, "Find Dr. Fyle." Nothing will be left undone that is possible until this is accomplished. His aged parents and other relatives are prostrated and this community, that he has done so much his 15 years' practice here, is this movement. It is requested that any information of value be transmitted immediately to Warren E. Beck, president of the Search for Dr. Fyle league, Geddes, S. D."

Mention of Mr. Tellegen brings me logically to one achievement of my stars had taught us not to minimize that possible calamity.
