BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

Waldron, C. B. Denny, Albert H. Fulham, H. E. Haze, C. C. Beems and George E. Turkington.

Lincoln, Feb. 15.—Denunciation of the Mellon tax plan is contained in a statement from Hiram W. Johnson state headquarters here, issued through the mails as the opening gun of the Johnson campaign in Nebraska. The administration's stand on adjusted compensation and the southern delegate question also come in for its share of criticism. The statement follows in part:

"The trouble with the Mellon plan is that it is drafted to help the very rich. Very few of them live in Nebraska, and they could afford to wait a year or two longer. The last congress reduced their taxes materially. Now they are insisting on another big reduction.

"Under this Mellon law the laboring men, the tenant farmers, the small farmers and small operators get no tax reduction whatever.

"The man who has a taxable income of \$3,000 (over and above his legal exemptions) will get his tax reduced by \$5. How many of you who read this are in that class?"

"An income of \$4,000 will have a reduction of \$15.

"An income of \$5,000, a reduction of \$25.

"An income of \$10,000, a reduction of \$150.

"An income of \$20,000, a reduction of \$460.

"An income of \$100,000, a reduction of \$3,900.

"An income of \$500,000, a reduction of \$85,000.

"An income of \$1,000,000, a reduction of \$252,000.

"An income of \$5,000,000, a reduction of \$1,250,000.

Reopening of Grand Island Bank Expected in 10 Days

Previous to the failure of the bank, Coates said, the heirs of C. J. Miles, former president, refused to sell their stock. After the bank's closing, however, they were willing to dispose of the stock, and thus made reorganization possible.

Pillbox Patrol Is Success, Dunn Says

Omaha's pillbox patrol system has proved success and the police department is planning several more stations, according to Henry W. Dunn, police commissioner.
