

Sunday School Needs Sketched

Symposium of Institution Is Given by Speakers at County Convention Here.

A symposium describing the needs and uses of a Sunday school was given at the annual convention of the Douglas County Sunday School association at the Immanuel Baptist church, Twenty-fourth and Pinkney streets Friday.

The symposium was given by Dr. R. J. Stearns, who spoke on building a school; J. L. McCrory, who spoke on the effect of discipline on the interest of the students; C. E. Ostrander, who spoke of means of finding and developing teachers; Paul Weimer, who spoke on methods of grading and promotion; and Margaret E. Brown, who told of the necessity for a definite program of work.

Talks Close Session. These talks closed the morning session of the convention. Some service, led by A. E. Eaton, a devotional period, led by the Rev. J. Clyde Mahaffey, the report of the secretary, C. C. Madsen, and two addresses, occupied the earlier hours.

Rev. John L. Barton, pastor of Immanuel Baptist church, addressed the convention on the need of more vacation Bible schools. W. H. Kimberley, business manager of the state Sunday School association, spoke on the necessity of a workers' budget. During the afternoon the time was devoted to addresses and discussions by the members. The work of the Sunday school teachers and superintendents was the chief topic.

Banquet. The evening was marked by a banquet at which 250 reservations have been made for delegates, members and friends.

Frank McDowell Declared Sane

St. Petersburg, Fla., Feb. 22.—Frank McDowell, 19, confessed slayer of his father, mother and two sisters, is not believed to be insane, prosecution officers declared here today. To back up this claim officers say that they have witnesses who will testify that the youth is simulating insanity. The prosecution claims that the real motive behind the death of his parents was the collection of a \$10,000 double indemnity insurance policy which Frank, acting as an insurance agent, was said to have underwritten for his father in January.

Woman Delivers Gas for Execution

Mrs. Tom Picket, wife of a Nevada state official, drove her car from Los Angeles to Carson City with the tank of lethal gas used in the execution of George Jon, first man to die by that means. The gas was too dangerous to be shipped by rail. She foiled several attempts to intercept her thrilling drive across the deserts.

Y., is in Jefferson hospital for an operation for the removal of a tooth which has been lodged in her right lung for three years. Surgeons at the hospital plan to use the bronchoscope perfected by Dr. Chevalier Jackson.

Brother Named Keiser Guardian

Special Dispatch to The Omaha Bee. Wahoo, Neb., Feb. 22.—Eli Keiser, 72, brother of Levi Keiser, 79-year-old bridegroom, was appointed Levi's guardian by County Judge Parmenter here yesterday.

The appointment followed suit brought by Harry Keiser, Levi's son, to have his father declared mentally incompetent, following Levi's marriage to Mrs. Irene Buell, 48, woman attorney of Ashland.

Eli, however, will be without authority to take immediate charge of his brother's affairs, because of a notice of appeal from the court's ruling, filed by Levi's attorneys.

W. D. Percival, 1814 Binney street, Omaha statistician, has been appointed special agent of the federal census bureau and is making a census of the city's factories. Census forms have been sent to manufacturers and it is obligatory for the manufacturers to answer and return these census questionnaires.

Ultimatum to Lawyers Issued

Judge Fitzgerald Pursues Policy of Speeding Up Court Cases.

District Judge James Fitzgerald, presiding over the local district court, Friday issued an ultimatum to attorneys who are retained in so many criminal cases that their inability to try them on the dates set for trial is causing delays.

"There are on the docket too many criminal cases and too many murder cases to be handled by one lawyer," said Judge Fitzgerald, "just as there are so many civil cases that no one lawyer can handle all of them. If any lawyer takes on for defense so many cases that he will be required to be in court all of the time, then he will not be heard by the court to complain because he has no time to prepare his cases for trial. He must proceed to try one case immediately after another."

Judge Fitzgerald announced Friday morning that the case of William Welter, charged with first degree murder in connection with the shooting of Hank McArdle, will be started next Tuesday. He expects the Gimpapa and De George murder trial to be concluded Monday.

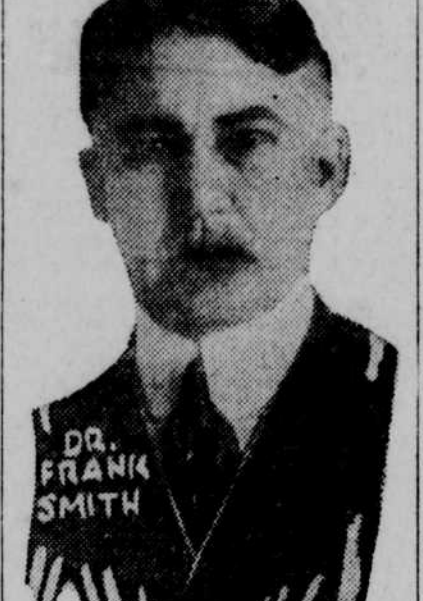

Mary Key Estate Invoice Is Filed

Inventory of the estate of Mary C. Key, former Council Bluffs woman who died last year in France, was filed today in Council Bluffs district court.

It includes \$2,500 cash, 50 shares of preferred stock in the Harle-Haas Drug company, five shares of common stock in the same company, 200 shares of stock in the Automatic Radiator company, 500 shares in the Conservative Investment company of Los Angeles, \$9,000 in notes and three pieces of Council Bluffs real estate.

Edison to Go to Florida. West Orange, N. J., Feb. 22.—Thomas Edison will leave Monday for his annual two months' stay at his southern home at Fort Myers, Fla. He will be accompanied by Mrs. Edison and several relatives.

Omaha Minister Who Collapsed in Study

Secret Body at C. of C. Is Named

A secret committee has been appointed by the executive committee of the Chamber of Commerce to investigate the qualifications of the various candidates for the position of commissioner of the chamber. The commission will be vacated by J. David Larson May 1.

The secret committee has been given almost unlimited power in the selection of a successor to Larson and their choice will, without doubt, be acceptable by the executive committee. The names of the committeemen have been withheld because of the fear that lobbyists for the candidates might influence their decision.

It is expected that the committee will make its report within two or three weeks.

Minister Faints in Church Study

Rev. Frank G. Smith Confined to Bed After Collapse as Result of Overwork.

Rev. Frank G. Smith, pastor of the First Central Congregational church, collapsed in his study at the church, Thursday afternoon and was taken to his home, 418 South Thirty-eighth avenue. His illness is due to overwork and an attack of acute indigestion, according to his daughter-in-law, Mrs. Xenophon Smith, who was with him at the time.

Rev. Mr. Smith remained in bed Friday. His engagements for the remainder of the week have been cancelled. The pastor expressed great disappointment in not being able to officiate at the funeral services for Henry Nygaard this afternoon, said Mrs. Smith. Rev. Edwin H. Jenks, pastor of the First Presbyterian church will take his place.

Bishop Stuntz Better Report

The condition of Bishop Homer C. Stuntz of Omaha, who was stricken with paralysis in Miami, Fla., February 12, is now encouraging, according to a telegram received Friday from Howard Rushton, who accompanied Mrs. Stuntz there.

Mr. Rushton sent word to his wife there are such favorable developments in the bishop's condition that he (Mr. Rushton) will be able to return to Omaha within a few days. The bishop will not be able to be brought back to Omaha for a month.

Clyde Stuntz, a son, who is a missionary in India, has already planned to come home on furlough for a year in April. He will not be able to reach this country before that time. Another son, Hugh, a missionary in South America, has served but three years of his five-year term in the missionary field, so it is doubtful if he will be able to come home before the end of his five years, according to Mrs. Rushton.
