cotics, and you can give it with absolute safety to an infant at the breast.

"Magic" in a Teaspoonful Every store that sells medicines sells Dr. Caldwell's Syrup Pepsin, and the cost is less than a cent a dose. Give half a teaspoonful to any ailing baby or child at night when you put it to bed and you will find a happy, laughing youngster in the morning. Take Syrup Pepsin yourself when constipated and give it to any member of the family young or old, for any ailment due to constipation, such as biliousness, headache, lack of appetite, sleeplessness, bad breath, cankers, fever sores, indigestion, and to break up fevers and colds. Stop that first sneeze or sniffle and you will have a healthy winter.

Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body, go quickly by a simple method that just dissolves them. To do this get about two ounces of calonite powder from your druggist—sprinkle a little on a hot, wet cioth—rub over the blackheads briskly of a few seconds—and wash off. You'll wonder where the blackheads have gone. Pinching and squeezing blackheads only open the pores of the skin and leave them large and unsightly—while the simple zeptication of calonite powder and the water dissolve them right out, leaving the skin soft and the pores in their natural condition.

This testimony to the virtue of gland treatment was voiced recently by Robert George Laws, prominent retired London broker. Mr. Laws, whose health had been poor for several years, claims that a glandular tonic put up in tablet form has restored him to the health and vigor of his earlier days.

Such a treatment is now obtainable in the form of Glandogen, a highly concentrated clandular tonic highly concentrated glandular tonic prepared from the glands of healthy young animals. Glandogen has had remarkable success with thousands of alling men and women.
