ly, in accordance with the the commission, under th provisions of the tariff act He probably will increase to 45 cents, the maximu under the law.

By P. C. POWELL Washington Correspondent The (Washington, Feb. 29.-P

tion by President Coolidge wheat report of the Unit tariff commission was pro day at the regular newsp ference with the president White House.

The assertion was made in response to questionin was the understanding of dent that the report would r White House probably tomo it would show an increased t necessary.

An equally positive stateme issued to the effect that if pected proof of the lower cost uction in Canada were shown report of the tariff commissi the president would issue the immediately. In official cir-Washington it was stated that b foubt the order for a higher would be issued within the ne hours at least.

First Farm Relief Measure. Largely through the efforts of ator R. B. Howell, the White Ho became busy today in ascertainin from the tariff commission if any delay was threatened in finishing the report. It was stated at the commission that the final checking of the report was under way tonight and everything indicated it would be delivered to President Coolidge sometime tomorrow.

This assurance by the tarrif commission to the White House of prompt delivery of the report tomorrow, coupled with the official statement from the White House that the re port would call for immediate atten tion and action is basis for the con fidence in official circles tonight that the first of the many contemplated steps for farm relief will be a higher wheat tariff, ordered probably within

Oil Scandal Interferes. Senators representing agricultural states were balked again today in getting the Norbeck farm relief bill before the senate for consideration because of continual debate on the Teapot Dome scandal, particularly the resolution calling for an investigation of Attorney General Harry

This has made the third consecutive day that democratic members clerk, have insisted on prolonging the debate in face of protests from Senator Ladd of North Dakota, and Norbeck of South Dakota, who have pleaded for a temporary discontinuance of fingering an unlit cigar. politics in the senate and action in 10t kept.
