## Spring Sewing Week for Home Dressmakers

The home dressmaker, by her economy, may have a large wardrobe at very little expense. You will find a visit to our store rich in ideas for springtime dressmaking.

Materials this spring are beautiful in quality and texture, lovely in design, and in patterns that embody the latest of smart fashions. Patterns are so simplified that to cut them is simply a joyous task.

### Things That Are New

There is a very definite individuality expressed in the charming new complements of the Spring costume. Novelty jewelry, belts, scarfs and veils are all destined to play an important role in Milady's wardrobe.

#### Circular Veils 89c

Very chic are the coquettish circular veils that trim milady's spring chapeaux. In all the new shades, and in a variety of patterns.

#### Belts of All Descriptions

—in patent leather, suede, kid and combinations; some have metal trimmings; others have cut-out designs. A belt from this selection worn with sweaters, straight frocks or a coat, gives your costume an air of individuality.

50c to \$1.95

Spring Footwear

Temping with graceful line is this gray suede Colonial pump—with beautiful buckle and trimmed in dark gray lizard. Covered Spanish heels, and hand turned soles. Other novelty pumps and oxfords are shown at this same price.

Imported Bracelets 95c

Bakelite, jet and amber bracelets, with ivory combinations and colored brilliants. Not just one, but several jangle from the wrist of milady this spring.

The Brilliant Scarf \$4.95

The scarf is graceful, colorful and is an integral part of the spring costume be it a dress, coat, sweater or blouse.

### Chinese Colors in Trimmings

**Braids 25c to 95c**  
The Chinese influence is noticeable in the new spring trimming braids of brilliant hues. As a colorful finish to the spring dresses, these are lovely.

**Individualizing Buckles and Ornaments 98c to \$4.25**

Buckles and ornaments of colorful braid and of metal, add a vivifying and individual touch to dresses and wraps.

**Val Lace Edging Yard, 5c and 7½c**
