

COLD FEET, and nothing else but — for this winter frolicker in Glacier National Park. And no way back to the mainland and a roaring fire except to plunge into the icy current and swim for the shore.

LAI'D UP FOR REPAIRS. The Queen of the Air, the navy's giant dirigible Shenandoah, which was badly bruised in its recent run-away flight in a gale, is now undergoing extensive repairs and alterations in its huge hangar at Lakehurst, N. J., in preparation for the possibility of a polar flight next summer. Our photo shows workmen on the scaffolding constructing a new nose on the craft.

Venida—The Exquisite

The making of dainty laces is a most delicate process, but not more so than the hand-work which fashions the Venida Hair Net.

Each sterilized strand of human hair is carefully matched for length, color and strength, then interwoven and knotted, until the fine, flexible, elastic mesh is finally shaped. Thus are achieved perfection and durability for milady's comfort and charm.

THE PRINCESS BIBESCO, daughter of Margot Asquith, and her daughter, Priscilla, as they returned to New York recently aboard the big Cunarder Berengaria. The Prince, who accompanied them, gave out a brief statement in which he said that Rumania and the Little Entente are doing all they can to aid Hungary and Austria to get on their feet again.

"CAVE OF THE FALLEN ANGELS" is the name of a new and unique little theater that has opened in West Seventy-second Street under the direction of Serge Soudeikine, Russian designer of the scenery and costumes of the "Chauve Souris." Our photo shows Akap Gurdjan, Titianella and Nina Ogenska at rehearsal in this gaily decorated and tiniest of playhouses.

4 Men in 7 Bald at 40
Yet 91% Needlessly, by Tests

Our experience shows falling hair most always due to infected Sebum. Now overcome.

Remove the infected Sebum and you remove the cause of most baldness
Written Guarantee to Grow Hair, or Money Back

This is a direct offer to grow hair on your head. An offer backed by our written guarantee, given by your own Drug or Department Store. If we fail, it costs you nothing.

We have recently made amazing discoveries. We have proven that while 4 men in 7 are either bald, or partly bald, at 40, only about 9 men in a hundred need ever be bald.

Hair roots seldom die from natural causes. They can be revived. We have proved this by regrowing hair on 91 heads in 100.

Highest authorities approve this new way. Great dermatologists now employ similar methods—many charge as much as \$300 for similar basic treatment.

Baldness is a symptom of a disease. Note this fact and mark it. It is most frequently a symptom of infection of the Sebum—the scalp oil.

Infected Sebum

Sebum is an oil. It forms at the follicles of the hair. Its purpose is to lubricate the hair.

But it often becomes infected. It cakes on the scalp; clogs the follicles and plugs them. Germs by the millions then start to feed upon the hair. Semi-baldness comes first; then with neglect comes total baldness.

Remove that infection and your hair will generally grow. We back this statement with a money-back guarantee. Hence it is folly for any man with falling hair not to make the test.

Now We Remove It

Our treatment is based on a new principle. It penetrates to the follicles of the hair. It kills infection—removes the infected Sebum. It stops falling hair. It revives the dormant hair roots, generally makes new hair grow. Remember, it is guaranteed.
