

**Paving Bid \$2.19 in Nebraska City, \$2.53 in Omaha**

Earth Excavation 44 Cents Per Cubic Yard as Compared to 65 Cents Here.

Nebraska City, Neb., March 18.—In the rivalry in paving bids for the construction of about 65 blocks in Nebraska City this summer, the Abel Construction company of Lincoln, low bidder, made an offer of \$2.19 for the construction of asphalt concrete paving as compared with a bid of \$2.53 for the same material recently submitted by a contractor for work to be done in Omaha.

The Abel bid for earth excavation in this city was 44 cents per cubic yard, compared to 65 cents in Omaha. The local bid for combined curb and gutter, 24-inch, was 99 cents, while the Omaha bid was 75 cents per linear foot for a 12-inch gutter.

The Abel bid was \$2,000 lower in the aggregate than one submitted by the Fred Eberhard company of Omaha, Kan. Other bidders were A. H. Reed company of Omaha and J. J. Lunnequin of Shenandoah, Ia. The work is to commence as soon as weather conditions will permit.

**Two Held for Theft of \$2,500 in Tobacco**

Fremont, Neb., March 18.—William Fender of Fremont is held in the Dodge county jail and "Wild Bill" Keegan, also of Fremont, is in the custody of Casper, Wyo., officials charged with robbery of the Wiley company warehouse in Fremont two weeks ago. Fender was returned here following his arrest in Hot Springs, Ark. Keegan will be brought back from Casper.

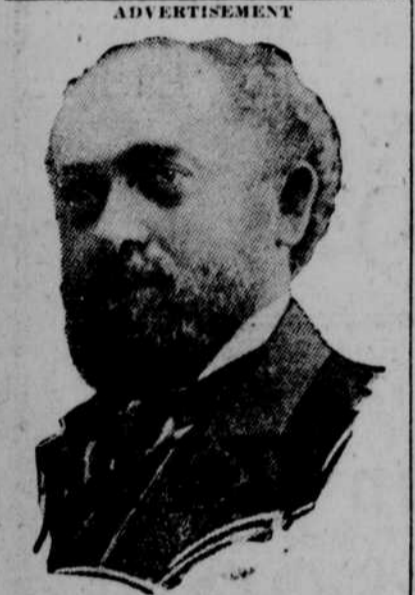

It is alleged that a truck owned by a sign painting company by which Fender was employed was used by the two men in hauling away \$2,500 worth of tobacco from the warehouse.

**Columbus Lions Prepare for Omaha Convention**

Columbus, Neb., March 18.—An attendance contest to begin March 21 and continue eight weeks is planned by the Lions club. The membership will be divided into two or four teams and the penalty to be paid by the losers will be the obligation of providing transportation to the national convention of Lions international to be held in Omaha, beginning June 23. Dr. W. H. Mullen of Omaha spoke at today's meeting on the value of organization.

**Beatrice Officers Seek Pool Hall Employee**

Beatrice, Neb., March 18.—Officers are looking for George Nelson, 23, who is alleged to have passed no fund checks at a number of places here amounting to \$20. He was employed at Hamilton's pool hall for a short time and claims to have been a member of the Rainbow division.

**A MAN WHO BECAME FAMOUS**

Doctor R. V. Pierce, whose picture appears above, was not only a successful physician but also a profound student of the medicinal qualities of Nature's remedies, roots and herbs, and by close observation of the methods used by the Indians, he discovered their great remedial qualities, especially for weaknesses of women, and after careful preparation succeeded in giving to the world a remedy which has been used by women with the best results for half a century. Dr. Pierce's Favorite Prescription is still in great demand, while many so-called "cure-alls" have come and gone. The reason for its phenomenal success is because of its absolute purity, and Dr. Pierce's high standing as an honored citizen of Buffalo is a guarantee of all that is claimed for the Favorite Prescription as a regulator for the ill peculiar to women.

**SECRET OF KEEPING YOUNG**

Why is it that some women look older at thirty-five than others do at fifty? Why is it that so many women are always run-down, weak, pale, nervous, irritable and unhappy? Health, vitality and freedom from pain and disease alone can prevent the signs of age from fastening themselves upon women. All over this country women are awakening to the fact that the ill, aches and pains of women may be relieved by Lydia E. Pinkham's Vegetable Compound and the result is renewed life, energy and the glow of health. In fact, the secret of keeping young is to ward off all internal ailments that cause premature old age, which is easily accomplished by this remarkable root and herb remedy.

**Age of Mechanical Progress, Says Dunn**

A few impressions of this interesting age were given by Ballard Dunn, editor-in-chief of The Omaha Bee, during a noonday talk yesterday to members of the Triangle club.

"This is undoubtedly the most interesting of all ages," Mr. Dunn said. "We are dealing with problems beyond the imagination of our fathers. We must think constructively in this age of progress."

The speaker reviewed the development of transportation from the days of the Concord stage to the present-day overland express train moving along a double-track roadway and crossing the continent in less than six days. More wonderful, he said, is the progress made in communication by written and spoken word—the air mail, telegraph, wireless, radio.

Mr. Dunn referred to the growth of industry, from the small units of the days of our grandfathers, to the great industrial enterprises of today, employing thousands under one administrative organization. He held that the effort of trade unionism toward a voice in government is a drift towards government in industry.

**Bungalow on Wheels Tours South Dakota Motorist Crosses Nebraska in Shingled Automobile.**

Columbus, Neb., March 18.—An automobile body, built to resemble a small cottage in every detail, including a shingled roof with gables and dormer windows, is the newest feature of tourist-camper equipment to be seen on the highways entering Columbus.

Mounted on a Ford chassis, the touring cottage was driven by V. C. Nelson, retired farmer-contractor, who, with his wife, stopped for a few minutes in Columbus on their way to Texas and the southwest.

The inside of the tiny motor cottage has but one room equipped about like the average run of home tourist cars. It contained a folding sanitary cot, a small gasoline stove, camp chairs, a few books, a small shelf and some dishes, as well as a small trunk. The interior was painted in white. The car was electric lighted. The driver's seat holds two passengers.

Nelson said this was the second season he had used the car for trips across the continent.

**Sixty Days in Jail for Showing Pictures**

Charged with disseminating objectionable literature among Omaha high school girls, Emil Gross, 18, 515 North Forty-third street, was sentenced to 60 days in jail in municipal court this morning.

"There is nothing which this court can do sufficient to punish you for the corruption of morals you have been spreading among the school children of this community," Municipal Judge Arthur Baldwin told him, "but I will sentence you to 60 days in jail."

**Columbus Sheriff Wins in Skat Tournament**

Columbus, Neb., March 18.—Sheriff Dan Kavanaugh carried off first honors at the Platte county skat tournament in Maennerchor hall, Sunday afternoon and night. Keith Perkins took second, Walt Boettcher won third, and fourth was divided among Dr. J. North Evans, L. J. Bates and Claud Coffey on a tie.

West Point skat enthusiasts drove over and played despite the fact that they had to leave their car here and go home by train. In the delegation were Rudolph Brazda, John J. Gross, M. E. Kerl and Herman Zepfin, sr.

**Frank Rikert, Who Left Illinois for California in Covered Wagon in 1864, Wouldn't Take \$100 for Bottle of Tanlac.**

Frank Rikert, well-known resident of North Sacramento, Cal., who came to the state from Illinois in a covered wagon in 1864, along with other hardy pioneers, recently exhibited a bottle of Tanlac, which he had just purchased, to a friend at his home and remarked: "If I thought this was the last bottle of Tanlac I would ever be able to buy, I wouldn't take one hundred dollars for it," thus proving the high valuation he places on the famous treatment.

**WESTERN PIONEER TELLS INTERESTING EXPERIENCE**

"I believe Tanlac really saved my life when I took it after the Flu about a year ago," continued Mr. Rikert, "for the attack left me 20 pounds off in weight, and unable to turn over in my bed without assistance. I tell you, I thought my time had surely come."

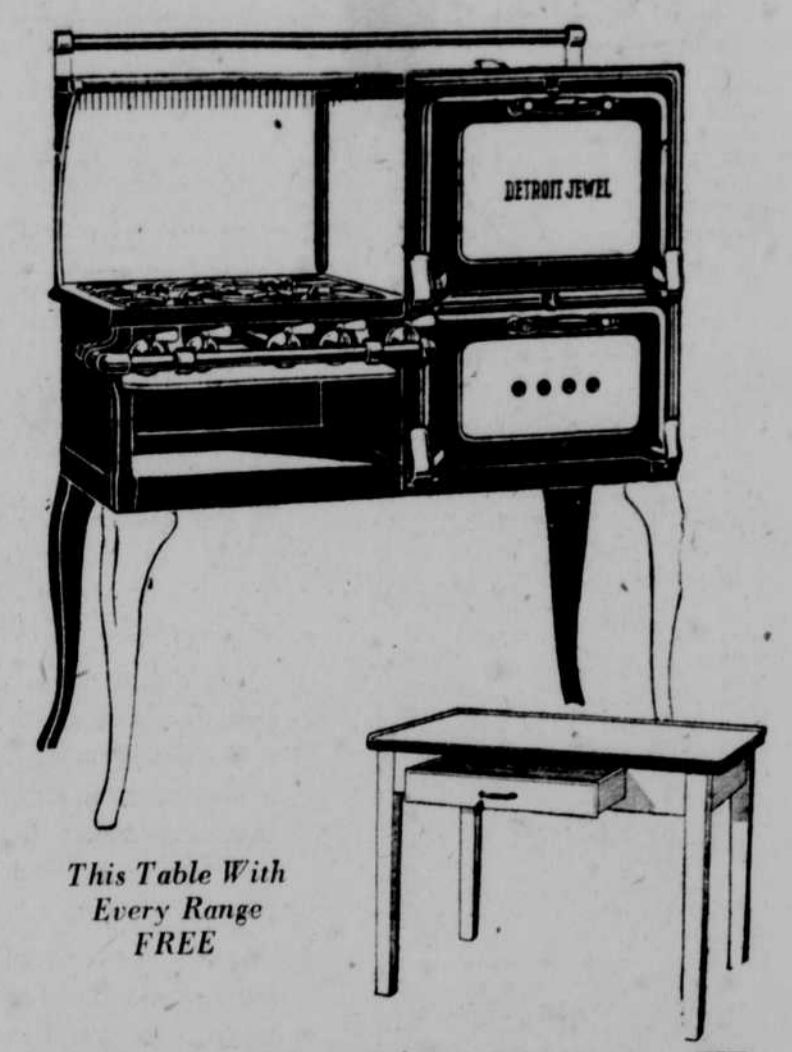

"But, thanks to my wife's insistence, I kept on taking Tanlac till I was able to do all my work again, had back all my lost weight, and I've been feeling years younger ever since. I'm always telling my friends about Tanlac, and can't say too much for it."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

**Fat That Shows Soon Disappears**

Prominent fat that comes and stays where it is not needed is a burden, a hindrance to activity, a curb upon pleasure. You can take off the fat where it shows by taking after each meal and at bedtime, one Marmola Prescription Tablet. These little tablets are as effective and harmless as the famous prescription from which they take their name. Buy and try a case today. All druggists the world over sell them at one dollar for a box or you can order them direct from the Marmola Co., 4615 Woodward Ave., Detroit, Mich. You can thus say good-bye to dieting, exercise and fat.

**Blackheads Go Quick By This Simple Method**

Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body, go quick by a simple method that just dissolves them. To do this get about two ounces of calomite powder from your druggist—sprinkle a little on a wet cloth—rub over the blackheads briskly for a few seconds—and wash off. You'll wonder where the blackheads have gone. Pinching and squeezing blackheads only open the pores of the skin and leave them large and unsightly—while the simple application of calomite powder and the water dissolve them right out, leaving the skin soft and the pores in their natural condition.

**sore throat**

Don't neglect it. Begin gargling at once with one teaspoonful of Zonite in a quarter-glass of water. Gargle every half hour until all discomfort has disappeared. If disches exist, swab them with pure Zonite and consult a physician immediately.

Zonite is probably the most remarkable antiseptic that medical science has ever given us. It surely does kill germs—without injuring the delicate throat tissues. Positively non-poisonous, hence, safe to use. Your druggist has it.
