

Johnson Concedes N. D. to Coolidge

La Follette Takes Second Place From Californian in Returns.

By Associated Press. Fargo, N. D., March 20.—Calvin Coolidge was conceded victor in the republican presidential preference primary in North Dakota Tuesday in a statement issued today by state headquarters of Senator Hiram Johnson, one of the president's primary opponents.

"By a minority vote," the statement said, "Mr. Coolidge has been given the presidential preference in the republican primary," adding his victory was made possible by "the split in the vote of the anti-Coolidge forces in North Dakota."

When the Johnson statement was issued, President Coolidge was retaining his plurality of 15,000 votes in the first additional returns reported today, completing the unofficial count in 1,307 of the state's 2,658 precincts. In these new returns Senator Robert La Follette gained a few votes and retained second place, the count for the reported precincts standing: Coolidge 39,226; La Follette, 23,920, and Johnson, 23,533.

The Coolidge lead was slightly enhanced in returns from the next 43 precincts, 1,350 precincts giving the president 40,168, La Follette 24,848 and Johnson 24,093.

The contention of Johnson managers that La Follette's vote would have gone to the Californian had the Wisconsin senator been out of the race, was challenged by L. B. Hanna, Coolidge state manager, in declaring the state has given the president a "substantial plurality."

It is not my belief that every one who voted for La Follette would have turned to Johnson had the former not entered the race. I am sure the president was second choice with many who cast their ballots for the Wisconsin senator," Mr. Hanna said.

W. G. McAdoo was unopposed for the democratic presidential preference nomination.

By Associated Press. Atlanta, Ga., March 20.—W. G. McAdoo's overwhelming victory over Oscar W. Underwood for the Georgia democratic presidential preference was indicated today when returns from yesterday's primary gave McAdoo 313 votes of the 412 that will comprise the state convention here April 23. Underwood had 72 convention votes.

Mystery Woman in K. C. Murder
Three Men, Including Brother, Held in Killing of Divorcee.

By Associated Press. Kansas City, March 20.—A mysterious woman was introduced today into the baffling murder of Dr. Zoe Wilkins, marital adventures and osteopath while police pursued other avenues of investigation opened up by statements of three men held for investigation.

A woman, as yet unidentified, entered Dr. Wilkins' home Monday night, it was revealed by a tamale peddler. Dr. Wilkins was slashed and beaten to death some time between Sunday afternoon and Tuesday evening.

The three men being held are Charles Wilkins, brother of the slain woman, who had often quarreled with her, he says, over her gay life; R. F. Tarpley, who says he was a patient of Dr. Wilkins, but who, others say, was her intimate, and Dillard Davis, negro janitor, who is declared to have attempted once to attack the woman.

Belief that Dr. Wilkins was wealthy began to fade today, investigation indicating that she had disposed of most of the \$300,000 she obtained several years ago by her marriage to Thomas W. Cunningham, wealthy Joplin (Mo.) banker.

She appeared to have been pressed for money lately and a nurse who attended her some weeks ago, made statements to police that seem to discount the story of Jesse James, an attorney, who had been employed by Dr. Wilkins in connection with financial affairs in Colorado, that she had securities amounting to \$100,000 in now missing strong box.

Coolidge to Sign Bonus, Is Belief

Bill Likely to Be Amended in Senate—Cash Payments Sought.

By Universal Service. Washington, March 20.—Confidence increased among congressional leaders today that President Coolidge will not veto the soldier bonus bill if the senate passes it in the form in which it went through the house.

Prominent among those holding this view are House Republican Floor Leader Longworth, Chairman Green of the ways and means committee, and Representative Andrew, republican of Massachusetts, one of the original sponsors of the paid-up insurance plan that comprises the principal feature of the legislation.

This confidence apparently extended also to the veterans' bureau, which today began making arrangements for handling the insurance policies immediately upon the bill becoming a law.

Republican Leader Longworth had a long conference with President Coolidge at the White House several days before the bonus measure was passed. He went over the bill in great detail, pointing out to the president the differences between the old plan and the new one, showing how previous bills had failed, one by President Harding's veto.

Longworth obviously did not ask how the executive would act on the measure when it reaches the White House, but he was quite hopeful as a result of the discussion that Mr. Coolidge will not feel constrained to veto it.

By Associated Press. Washington, March 20.—Amendment of the house soldier bonus bill appeared certain today, with both republicans and democrats of the senate finance committee advocating new proposals.

Chairman Smoot yesterday introduced a proposed amendment to increase slightly the value of the life insurance policies provided for in the bill and make them payable only at death rather than at the end of 20 years, and to eliminate the borrowing feature of the insurance clause in the house measure.

At the same time, Senator Simmons, North Carolina, ranking democrat on the committee, announced he would seek adoption of a full cash payment option, as was advocated by house democrats.

The committee is expected to reach a decision before the end of the week on whether the bonus bill or the tax reduction measure would be disposed of first. The revenue bill has been before the committee two weeks.

Elijah Watt Sells Dies.
New York, March 20.—Elijah Watt Sells, 64, author, and one of the founders of the New York university school of commerce, accounts and finance, died last night. He was a native of Muscatine, Ia. His father, Elijah Sells, was auditor of the treasury department under President Lincoln and a former secretary of state in Iowa.

89th Division Vets to Hang Painting of Leonard Wood at C. of C.
Maj. Gen. Leonard Wood is to be hung. Not hanged; hung.

Members of the 89th division, trained by General Wood after the organization of the division in 1918, have purchased a life-sized painting of the general and hung it in the Omaha Chamber of Commerce rooms Wednesday.

Omaha Bootleggers Alarmed as Their Nemesis Arrives in City

Omaha bootleggers and their friends were somewhat alarmed Thursday. They were informed that Morris Silverman of Minneapolis was in Omaha.

Silverman is here "for no good purpose," they believe. Silverman, in company with Lane Maloney and members of the district attorney's office, once raided the Dublin Inn and several other Omaha soft drink parlors.

He is now charged with causing the friction between U. S. Rohrer, deposed dry director, and other liquor enforcement agencies.

Silverman is in Omaha, he says, to testify in some liquor cases the internal revenue department is interested in.

"What do you think of the Rohrer action?" Silverman was asked.

"I think the government did the right thing," he replied.

Girl Asked on Party Was Wife of Sheriff; Tailor Goes to Jail
Kearney, Neb., March 20.—Richard Koukola, tailor, had a hard day of it Wednesday and in the evening he craved excitement by way of diversification.

Looking about for someone to share his party he approached two young ladies and offered them the hospitality of his jitney and hootch. They accepted and were on hand at the appointed hour. Just as the party pulled out for its destination the car was intercepted by the sheriff and two state law enforcement officers. It so happened that the women in Koukola's machine were wives of the officers, a little matter of detail Koukola had neglected to inform himself on before planning his wild night.

A quart of hootch in his possession cost him \$100 and incidentally his car was confiscated.

Electric Firm Charged With Breaking Law
Cleveland, O., March 20.—Upon direction of Attorney General Daugherty a suit was filed in United States district court here this afternoon against the General Electric company of New York and the Westinghouse Electric and Manufacturing company of Pittsburgh, alleging a "combination and conspiracy" to violate the Sherman anti-trust law in connection with the sale of electric lamps.

First Wife Fails to Worry Second

Number Three Won't Talk, and That's That About Bossie.

Maybelle McKean Bossie, second wife of Claude F. Bossie, former city clerk, asserts that she sees no occasion to worry over the statements made by Mrs. Bossie No. 1 at Denver. Wife No. 3 declines to comment.

The Denver woman is reported to be determined to assert her claim for a share of the Italian estate in which Bossie is said to have an equity.

Bossie was on his way to Italy in January when his journey was interrupted by cancellation of passports when he arrived at Cherbourg, France.

"In my papers I have a certified copy of a divorce decree granted to the first Mrs. Bossie," Maybelle McKean Bossie said. "I insisted on knowing the facts of the case before I married Bossie in 1911. His first wife was Susan Crawford before her marriage. Bossie has a daughter and son in Denver. The daughter is married and has a child. The first Mrs. Bossie knew of my marriage years ago and it seems strange that she has waited so long to assert any claim she believes she may have."

Mrs. Bossie No. 2 admits that Mrs. Bossie No. 1 may have some claim for support of the two children until they were 21.

Bluffs Bailiff Flashes Shiny Badge on Phone to Prove His Authority

W. J. Bryan Flays Mellon Tax Plan

B. O. Brington, court reporter for Judge O. D. Wheeler at the court house in Council Bluffs, vouches for the truth and veracity of this story. His well known penchant for making Bailiff Lee Shubert the butt of his practical jokes, however, may have some bearing in the case.

Yesterday the bailiff engaged in lengthy telephone conversation with persons at Dunlap, Ia., who wished to get into communication with one of the jurors in the Bluffs with regard to a carload of hay. The juror, who had the bill of lading in his pocket, was serving with a group of talemen locked up for deliberation.

Apparently they doubted Shubert's authority to refuse them communication, for according to Brington, the bailiff changed hands on the receiver, flashed his badge into the telephone and spoke as follows:

"Do you see this badge? That means I'm the bailiff of this court and a deputy sheriff, and I know what I'm talking about!"

Guard Saves Three From Lynching
Davenport, Ia., March 20.—Sheriff William B. Rehmer threw a heavily armed guard around the Scott county jail Wednesday to prevent enraged citizens from lynching three youths arrested on charges of assaulting two girls here Saturday and Sunday.

The girls are Beatrice Timmins, 14, and Elsa Herd, 15.

Those under arrest are Henry and Raymond Devetter and Lester J. McCrossen of Davenport. They were captured after a man hunt which has lasted since Saturday night. A fourth man known only as "A." at Rock Island, also is sought.

Dead Man's Kin Sought.
Henry Cutler, county coroner, has been unable to locate relatives of Theodore L. Ayer, 75, who dropped dead on the street in Council Bluffs Tuesday. Relatives are believed to live in Europe.

Big Business Also Attacked by Commoner in Lincoln Speech.

By Associated Press. Lincoln, March 20.—W. J. Bryan, speaking Wednesday before a crowd that filled the municipal auditorium, decried "special interests" in the national government and urged the democratic party "as the party and the only one to put the country back in its previous position."

When the "commoner" was introduced, one man in the audience produced a banner bearing the legend, "W. J. Bryan for President." Mr. Bryan declared that "it is hard for some to realize that it is exceedingly difficult to break a habit." He then reiterated his previous statements that he was not a candidate for president in the coming campaign.

The address and visit to Lincoln were in honor of Bryan's 64th birthday.

"The best birthday present I have or will receive," he declared, "is the work of my brother in Nebraska. It is what I have been trying to do in the whole country."

He declared that "big interests" had prevented the farmers from getting anything they wanted. This, he declared, was the motive force that was driving farmers to the city—"at the rate of a million a year."

The Mellon tax plan also is beneficial to powerful moneyed interests, he declared, "reducing taxes for the rich and not for the poor."

LADY EXPERT
COMING
TO HELP
RUPTURED
WOMEN
Demonstrates
Rice Method
Free to All

Miss S. P. Meegan, representing William S. Rice, Adams, N. Y., inventor of the famous Rice (Non-Surgical) Method for Rupture will be at the Rome hotel, Omaha, Neb., Monday and Tuesday, March 24 and 25, to demonstrate a new special corset attachment that holds any rupture, no matter how large. Even if the abdomen is very fleshy, it holds any rupture with ease, comfort and security.

Every woman who has been compelled to wear an ordinary truss or abdominal support knows the gouging, cutting and chafing caused by narrow bands. The weight of the abdomen or pressure necessary in holding the rupture must be carried by the band around the back, and the pressure is sometimes very great, causing untold suffering. The special, broad supporting corset distributes the pressure so as to do away with all cutting and chafing.

There are hundreds of women who are in terrible misery because they cannot find anything that will hold their rupture and the abdomen at the same time. The appliances usually worn are hot, bulky, chafing and irritating. But this wonderful Combined Corset Back Support is light, flexible, durable and cool and fits the figure like a glove. It gives you a sense of absolute comfort and protection while at the same time greatly improving abdominal outlines.

Trusses in common use are not adapted to women and often do great harm. Women, therefore, suffer more and are in greater danger from rupture than men, and all women, who have ruptures or who wear an abdominal support of any kind, should not fail to call and see this wonderful Combined Corset Back Support. No description or illustration can fully convey the remarkable utility of this splendid Support. It must be seen; it must be put on to convince any woman that it was designed for her. Miss Meegan takes a large woman just as she is, all out of shape and unsightly, and by this remarkable Corset Support gives her a natural, neat, trim figure.

She will also give full instructions on how to handle and care for any rupture, large or small. She will show how to hold any kind of rupture from the simple groin and femoral to the large and difficult Naval and after Operation Ruptures, without chafing or squeezing, also how to wear the corset correctly.

Don't let this great opportunity get away from you. Don't continue to suffer the burden of rupture and truss wearing when it is so entirely unnecessary. Your call on this Lady Expert is sure to prove one of the best things you ever did. She will be there only two days, then your opportunity will be gone. The fitting and demonstration are free. It don't cost you a penny to learn all about the Rice Method and the wonderful opportunity for help and cure it offers in your case. After demonstration you can purchase the Outfit required if you wish.

Call any time from 9 to 12 a. m., 2 to 5 p. m., or 7 to 9 evening, March 24, and from 9 to 12 a. m., 2 to 5 p. m., March 25. Just ask at the hotel desk for Miss Meegan, and she will do the rest.
