### Was skeptical of Kellogg's Bran until it gave him back his health

Naturally Mr. Carter-whose letter follows-was skeptical. He had tried practically everything for the relief of onstipation. All had failed. But Dr. Pinto explained that the ex-Kellogg's Bran brought him permanent relief, just as it has done for thousands of others. Read his letter:

Gentlemen: I am 43 years old, and have been for years a great sufferer from constipation. I had to resign a clerical position because of rushes falsed to my head, some of which raused me to fall to the ground. I took an outdoor laboring job and tried for the first time, skeptically i danit, your Krümbled Bran. The result has been wonderful. I began to be normal after I had been on the Bran about three days. No more enemas, no more Old Dr. So-and-So's Pills, Epsom saits by the Gentlemen:

Kellogg's Bran, cooked and krumbled, does not irritate the intestines like drugs and pills. It acts exactly as nature acts. Eaten regularly, it is guaranteed to relieve permanently the most chronic case of constipation, or your grocer will return your money.

You will like the exclusive, nut-like flavor of Kellogg's Bran, cooked and krumbled. Eat two tablespoonfuls daily-in chronic cases with every meal. Eat it with milk or cream and in the recipes on every package. Sold by all grocers. Made in Battle Creek.

### Give the Children WRIGLEY'S after every meal

The following is from a recent work on teeth and health:

"Dentists have found that the exercise of gum chewing brings about a better nutrition of the teeth. . . .

"The cleansing action of the gum between the teeth helps to keep them free from the particles which lodge in the crevices and cause de-

You know how hard it is to get the children to clean their teeth. By giving them WRIGLEY'S you not only reward them for cleaning their teeth, but the reward is actually the means of performing this important service!

WRIGLEY'S is a benefit and a pleasure combined. It serves two purposes and its cost is very small. Aids digestion, too, and acts as an antiseptic wash for the mouth and throat.

Choice of several flavors-all of WRIGLEY quality, standard of the world.
