

Fohl Endeavor to Pull Red Sox Out of Cellar

With Some Sort of Pitching, "Beaneaters" Will Prove Source of Worry to Clubs in Johnson Circuit

Dudley Lee Expected to Be Big Help to Frazee's Team Team—Strong-Hitting Outfield.

By THOMAS L. COMMISSKEY, AN ANTONIO, TEX. While there is justifiable doubt about that person of the song always blowing bubbles, there is no question about Lee Fohl a l w a y s a building ball team. He built them at Cleveland and St. Louis and got no thanks, and now he's at it again with the Boston Red Sox. It's a big assignment.

Of course, he has them. The club through a couple of deals and one big purchase, namely, Dudley Lee, the star Tulsa shortstop, is figured any way, around 20 per cent better than the wrecked team Frank Chance fruitlessly tried to jounce out of the cellar. The trade with Cleveland in which First Baseman George Burns departed with Catcher Al Walters and Infielder "Click" Weaver, for Catcher Q'Neil, Second Baseman Wambegans and Outfielder Connolly, give the Sox a sizable boost.

There is also ample indication that Bobby Veach, a star for years with the Tigers, is well worth whatever money was turned over to Detroit years ago, but still can hit and field strongly, and should go on at a good clip a few seasons more.

The team appears very optimistic. It figures it will no longer be any club's easy mark.

Harris On First

Joe Harris has been assigned to first and Wambegans to second, and McMillan to third. McMillan seems greatly improved. Harris is no stranger at first, and Vandy held the job with Cleveland for years. It's not an infield on which to tack praising adjectives, but neither is it one to mean over. It is just fair.

The outfield has a bunch of strong hitters in Veach, Flagstad, Connolly, Boone, John Collins and Todd. The latter was stuck on first base here before when he wanted to play the outfield, and is now trying to prove he knows his capabilities best himself. Boone is a socker from this town's club, but needs much smoothing out on fielding.

The catching department, with Steve O'Neill, one of the topnotchers, and Pleinich, must at once be tabbed O. K. The value of O'Neill in handling pitchers is incalculable. Steve knows how to use the timber at the plate.

Fair Hurling Staff

The pitching hopes are Howard Ehmke, who went so brilliantly last season, old Jack Quinn, Bill Piercey, Ferguson and Fullerton. Ehmke and Quinn, who laugh at years, indicate they will shine on. The other three have been threatening to come through for some time. Under O'Neill's able handling they ought to show big improvement.

Fohl is being assisted in his task by "Lefty" Leifield, old pirate pitcher; Hugh Duffy, former manager of the club, and Jack Ryan, a big league catcher. This quartet of "old heads" should get everything out of the players they've got. Of course, they wish there was more talent, but clubs are not built in a season.

One feature about the revamped Sox is that they show promise of having a good punch. If the team gets a good brand of pitching, it may spell the best laid plans of many clubs in many games.

Fohl is a hard worker and makes his men follow in conditioning. The whole array is far along in conditioning.

U. S. Chess Champion Defeats French Wizard

New York, March 31.—Frank Marshall, United States champion, Monday defeated David Janowski, French champion, in 75 moves in an adjourned eighth round game of the international chess masters' tournament.

Jose Capablanca of Cuba, world champion, won his seventh round adjourned match with F. D. Yates, England, in 77 moves.

Boxing Bout Postponed.

Milwaukee, Wis., March 31.—The Johnny Mendelsohn-Nat Goldman boxing match scheduled for Monday night was postponed until Friday on account of an injury incurred in training by Mendelsohn, it was announced.

Baseball Dope

Reports who gave promise and afforded much copy for newspaper correspondents at the various training camps in the past instance filtered out and are either on route to a minor league, or will be on their way to the big leagues.

Three clubs broke camp yesterday. The Giants going from Sarasota, Fla., to Orlando, where they will play the New York Sox, who left Winter Haven, Fla., this morning. The Yankees pulled into Mobile and Brooklyn to begin their training.

Clubs on the Pacific coast worked to double bills on the Sabbath. Pittsburgh and Chicago Cubs played the first game and afternoon games with Pacific Coast leaguers. The White Sox split, the first team playing at Los Angeles.

The New York Yankees sent seven men out for more seasoning. Adolfo Arguello, six-foot pitcher, who has been in the minors in the Texas association, and Pitcher George Dumont, purchased from the Atlanta Southern association club, have both been returned. Pitchers Henry Svehl and W. Lem Owen have been released to the Eastern league and Pitcher Bernie Thompson will probably go to New Orleans. Catcher William Mahoney was released. Wilkes-Barre and George Redfern, infielder, went to Asheville.

Rogers Hornsby Sails Sea of Matrimony for Second Time

St. Louis, Mo., March 31.—Rogers Hornsby, champion batter of the National league and star player of the St. Louis Cardinals, has been married since February 28 to the divorced wife of John A. Hine, an automobile salesman, who had threatened him with an alienation of affection suit, it became known here Monday.

Hornsby was divorced from his former wife, June 27, 1923, and made a settlement of \$25,000 on her and granted her custody of their son.

After Mrs. Hine had obtained a divorce her husband had the case reopened and offered letters alleged to have been written by Hornsby to his wife, bearing such terms as "darling little sweetheart," and sending love and kisses.

Chadron Normal Tracksters Busy

Chadron, Neb., March 31.—With practically the entire track squad of last year back in the Eagle regatta, the Chadron Normal track prospects are considered good this season by Coach Willis, whose initial call for cinder athletes brought out 30 athletes.

Jack Lingle, holder of the state conference pole vault record, and Everett Lowry, conference javelin record holder, both former Morrill (Neb.) high school athletes, are among the veterans who have responded. Lowry's javelin toss was 173 feet, six inches, while Lingle cleared the bar at 14 feet for the pole vault mark.

Captain O'Connor and Laverne McKelvey, both outstanding sprint men, are in uniforms, conditioning daily. Both were members of the relay team last season.

Coach Willis is anxious to strengthen on his distance and weights divisions. The inter-class meet, to be held before the regular track season opens, is expected to show up some good material. The Eagles will compete with the Rapid City School of Mines and the Spearfish Normal, in their annual triangular meet, following the inter-class makeup. The Chadron athletes will probably wind up the season at the state meet at Hastings late in May.

Wild Run Made to Holdup Scene

Siren on Police Auto Falls; Store Robbed Third Time.

A lone highwayman held up Fred Bass, clerk in the Piggy-Wigly store at 1618 North Twenty-fourth street, shortly after 7 Monday morning. The bandit escaped with \$74 in cash.

The store has been robbed three times within the past four months. Police believe the same man has engineered the robbery each time. Bass is a new clerk and was unable to establish the police theory.

The siren on the police emergency car has worn out. Twice in responding to the call, the police machine narrowly avoided serious accidents. At Fourteenth and Dodge streets a collision with a Yellow cab was narrowly avoided. Impact with a street car and two other machines was prevented by a miracle at Twenty-fourth and Cumming street.

Officers arrived on the scene of the robbery with their hand standing on end. Several have sworn never to ride in the emergency car again until a new siren is obtained.

Glee Club at C. of C.

COLDS

The slightest cold may develop "flu" and then run into pneumonia. Go to your druggist and be sure to get a 25c box of Zerbst's Grip Capsules. Follow simple directions and you'll feel fine. For that cough use Zerbst's Chloro-Pine.

RHEUMATISM LEAVES YOU FOREVER

Every druggist in this county is authorized to say to every rheumatic sufferer that if a full pint bottle of Allenru, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and do away with even the slightest twinges of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the tortments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed druggists to guarantee it as above in every instance. Beaton Drug Co. can supply you.
