Movable Stage at Ball

Feet and ankles of a patrician slenderness won't have to hide their silken luster under a bushel on the evenings of April 25 and 26 at the Junior League mah jongg ball which will be held at the Brandeis, for a stage two feet high will permit the maze of the choratic dance to be seen clearly from all parts of the restaurant. This optical boon is being constructed under the direction of Miss Erna Reed, property manager.

The stage will be made in six sections, so that it may be moved easily at the conclusion of the cabaret for the guests to dance.

It will be 30 feet long and 10 feet wide with the conventional raising of the curtain, but with the rolling on of these huge stages, which will hold a group of attractive Chinese ladies, who will prove their right to move in the best mah jongg circles by the dance they do.

Vacation at Central High school leaves the younger set free for afternoon affairs. Wednesday Miss Ruth Grimmel will entertain 10 tables at bridge, Friday Miss Janet Jeffers will give a bridge, and Saturday Miss Janie Lenhoff will give a luncheon at the Brandeis restaurants.

Missionary Party.

The Women's Home-Missionary society of the First Methodist Episcopal church will give its annual party in the church parlors Thursday afternoon, April 10, from 2 until 4 o'clock. The program will be two plays by the high school girls' group, under the direction of Miss Melba Bradshaw; a song group; songs and recitations by Mothers' Jewels, the very little children's division directed by Mrs. William Young. Spring flowers and greens will add charm to the occasion. Refreshments will be served.

Guests of honor for the day will be the women of Mrs. Wucher's group of the Home-Missionary society, and the members of Mothers' Jewels, also the High School Girls' Missionary society. All interested in home missions are invited.

Department Election.

Mrs. Millard Langfeldt was re-elected leader of the political science department of the Omaha Women's club at the last meeting of the year held Monday at the Y. W. C. A. Mrs. O. A. Nickum and Mrs. Draper Smith were chosen assistant leaders, Mrs. Anna McFarland secretary and Mrs. Louis Sommer treasurer.

For Miss Burke.

NERVOUS & HALF-SICK WOMEN

Relieved by Taking Lydia E. Pinkham's Vegetable Compound

These Three Letters Prove It

Lowell, Mass.—"I am sending you a few lines to let you know what good your medicine has done for me. I want you to let every one know that it has helped me in nervous troubles. I have four children and you know there is a lot to do where children are. They would come from school and they would start telling me about their little troubles but I could not stand it. I had to send them away. I could not even walk on the street alone I was so nervous. I found one of your books and read it and then I saw in the paper about Lydia E. Pinkham's Vegetable Compound. I got it and had taken one bottle when I saw a change in myself. I was surprised. The children can talk all they want to now and it does not bother me. I am still taking the Vegetable Compound."—Mrs. JOSEPH LEMERE, 34 South Street, Lowell, Mass.

Springfield, Missouri.—"For four or five months I was run-down, nervous, my back ached and I did not feel like doing a thing. Sometimes my legs ached and felt like they would break and I had a hurting in my sides. I had been reading in the newspapers the letters of other women who had taken Lydia E. Pinkham's Vegetable Compound and the advertising of it appealed to me so I bought some and saw results in almost no time. I had hardly been able to do my own work and after taking the Vegetable Compound I felt like a new woman. I recommend it to my friends who have troubles like I did, and hope they will find the same results."—Mrs. M. CARPENTER, 607 W. Chase Street, Springfield, Missouri.

40 Years Old, Feels Like 20
Hagerstown, Md.—"I was very had off with backache, a bearing-down feeling in my body and a pain in my left side. I could not be on my feet at times and once I was so bad I walked bent over to one side for three weeks. My sister read of Lydia E. Pinkham's Vegetable Compound and got me a bottle. I got so much relief that I took more until I was well. I am 40 years old and feel like 20. I am sure this medicine will help all women."—Mrs. MARY E. SANDY, 433 W. Franklin Street, Hagerstown, Md.

The charming and youthful frock in the sketch today is an instance of the mode's demand for simplicity, even in soft, silk house frocks. This is an unusually smart little frock, with many novel features to recommend it to the woman in search of something a trifle out of the ordinary. In the first place, the lines are the simple, slender ones that insure the sylphlike silhouette, and there is not an inch of extra fullness anywhere.

FOLKS:
Don't these bright warm days make one feel fine. Everyone seems to have the Spring fever. People are cleaning up their yards and gardens and getting out their summer clothes.
This week our plant is filled with heavy coats, overcoats, furs and other winter garments.
Do you know, I get a lot of satisfaction in watching the soiled garments as they go through the various processes of cleaning and refinishing.
I like to see the work done properly and to feel that each customer will get in added usefulness of his garments much more than he pays for cleaning or dyeing.
I want you folks to feel you have gotten your money's worth when you patronize The Pantorium—any time you don't feel that way come and get your money back.
