M'ULLEN SENDS MATHERS THANKS

Beatrice, Neb., April 12.—When Adam McMullen of this city read in The Omaha Bee of Saturday morning A. N. Mather's statement, pledging the republican nomination for governor in 1924, he sent Mr. Mather the following telegram:

Bonus Bill Near End of Journey

Washington, April 12.—The soldier's bonus bill tonight was on its way to enactment by congress. Only passage by the senate remains to be accomplished before the bill goes to the White House and this is looked for next week.

White House Next Stop

Washington, April 12.—The soldier's bonus bill tonight was on its way to enactment by congress. Only passage by the senate remains to be accomplished before the bill goes to the White House and this is looked for next week.

Assured of Majority

Virtually assured of a majority in the senate, republican leaders insisted that the bonus bill would give the right of way. Senator Smoot pointed out that final determination of the amount of tax reduction depended on the bonus bill. Should the bonus be ordered taken up first, as seemed certain from a poll tonight, it is not believed the senate would consume more than a week in passing it.

BRITAIN LIFTS CATTLE EMBARGO

Ottawa, April 12.—Notification was received today by the federal Department of Agriculture of the lifting of the embargo on the shipment from Great Britain of cattle originating east of the western boundaries of Montana, Wyoming, Colorado and New Mexico.

BUSSES MAY BUY RISK INSURANCE

Lincoln, April 12.—Bus line companies or their agents were ordered to appear before the state railway commission to show cause why the commission should not require all such common carriers to provide adequate liability insurance; also for such other and further action as may be deemed proper by the commission in an order made public today. April 26 was the date set for the hearing.
