National Boys' Week

April 27 to May 3 is the week that has been set aside for our boys, the business men of tomorrow, to learn just what makes the wheels go 'round in business. Every day will be full of boy activity, but Tuesday will be the biggest day of all. It will be "Boys' Day in Industry and Citizenship," when they will run Omaha's business establishments.

Boys will take control of Burgess-Nash store on that day, from president on down. They will learn the ins-and-outs of big business, and gain a better knowledge of American business ideals and citizenship.
