## Hills Bros Coffee grew up with the West

OKLAHOMA was still a territory, the Roosevelt Dam was not even a hazy dream, and Custer's famed Last Charge was but two years old when Hills Bros. Red Can Coffee was born, in 1878. So you see, Hills Bros. and the tradition of the West as the home of wonderful coffee grew up together.

To reassure yourself that this coffee tradition is in safe keeping, break the vacuum seal of a tin of "Red Can." Release that rare aroma! Then brew a cup and lift it to your lips. What flavor! Any wonder Red Can is The Recognized Standard?

With all its high quality, Hills Bros. Coffee is not high-priced. It is economical to buy—and economical to use. Hills Bros., San Francisco.
