Missing Aviators Reported to Have Provisions Sufficient for Seven Days.

Washington, May 2.—Comrades at Dutch Harbor, Alaska, of Major Martin, missing commander of the army "round the world" expedition, believe Martin and his companions are safe and will be located.

A message from Lieutenant Lowell Smith, senior officer with the planes at Dutch Harbor, received today by Major General Patrick, chief of the

Men Who Are Making Omaha

Harry A. Wolf

He is comparatively young; no indications of gray hairs, and he has almost the enthusiasm of youth when discussing large projects for the advancement of Omaha. A few weeks ago, on the occasion of the organization of the Greater Omaha committee, his voice rang out with words of wisdom which other leaders received with careful thought.

Harry A. Wolf has been "on the job" in Omaha for 20 years. He started in a small way, but he made the hours count and has succeeded unusually well. While advancing his own interests, he is at the same time ever mindful of his responsibilities to the city of his home and business.

Among the major enterprises with which he has been identified may be mentioned the improvement of the old Woodmen of the World building, to serve the purposes of a modern hotel. The northwest corner of Eighteenth and Harney streets was similarly improved. During the period of the war, when building ventures were not popular, he put through the Conant hotel project.

Fate of Bonus Is in Chief's Hands

Conflicting Rumors as to What President Will Do Are Rampant.

Washington, May 3.—The bonus came back to roost on the White House doorstep today with directly conflicting views as to what he will do.

Opinion was badly divided today over the probable course of President Coolidge. Members of congress who have discussed the situation with him recently have gone away from the White House with directly conflicting views as to what he will do.

Some expressed the view today that Mr. Coolidge, realizing the bill is bound to become law anyway, will either sign it on the theory it is the cheapest bill obtainable from a treasury standpoint, or else will allow it to become law without signature, thus indicating a degree of disapproval.

Others were confident that, in view of his frequent and often repeated criticism of the bonus "in principle" the president would not hesitate to reject the measure and return it to congress with a strong message of outright disapproval.

Meanwhile, pressure for and against the measure began to beat against the White House doors today. Telegrams, letters and messages of all sorts poured in to the president's office recommending a course of action.

Two hearts that have been beating as one for some time were united in wedlock Saturday morning in Council Bluffs.

Ray E. Eble, 31, and Hester Goodrow, 17, were found at the postoffice by Hester's father, Rev. W. W. Goodrow of New Underwood, S. D. They left New Underwood a week ago and her father has been searching for them since.

Eble's home is in Emerson, Ia., but he was going to school in New Underwood, where he met the fair Hester, who is a daughter of the pastor of the Congregational church. The Rev. Mr. Goodrow performed the wedding ceremony Saturday morning.

German Schools Are Suffering

20,000 Teachers Cut Off Payrolls for Economy Program.

Berlin, May 3.—The economy dictator's axe is at work in Germany. It does not even spare the "trees of knowledge," for no less than 20,000 teachers in elementary schools have fallen a victim to it.

A storm of indignation has been roused by the announcement of the government that the "Kultur" budget will be considerably reduced within the next few months. It became obvious through numerous press comments that the nation of Goethe, Schiller and Kant considered it a "penny wise, pound foolish" policy to destroy the last and certainly not the least powerful instrument that had been left to Germany after the armistice.

But the government remained firm and decided in favor of "educational disarmament" on a large scale. "It is a matter of existence or non-existence for the state that our finances should be balanced as soon as possible," declared the Prussian minister of education in a speech delivered in the Prussian diet. "Another inflation would mean a complete breakdown of the administration machine."

"I do not see German Kultur endangered by our measures, hard though they may be to all whom they concern. We have to bear in mind that the number of children attending schools has fallen short of 1,200,000 against pre-war figures, while at the same time the number of teachers has increased.

"By slightly raising the total of attendance of one class at a time and by making the teachers give some more lessons a week we hope to maintain the mental pre-war status. At the same time, however, superannuated and physically unfit teachers have to be dismissed ruthlessly. It is through this 'selection of the fittest' that the ministry of education hopes to save the German school from slow but steady decay."

10 Boys Fined \$1 Each or Day's Work for Entering School; 2 Sentenced

Twelve boys stood before Juvenile Judge Day Saturday, charged with breaking into the old Technical High school building, Seventeenth and Leavenworth streets, last Saturday night, stealing some books and breaking electric light bulbs.

Tony Sparans and Tony Dias were ordered to Riverview home and the other 10 were fined \$1 each as follows: Albert Inconre, Jim Sylvester, Sam and Denny Diaz, Dominic Bruno, Frank Bennato, Sam Morasco, Paty Ventelli, Ellis Stevens and Mike Piemonte.

If any of them can't raise the \$1 he must work all day next Saturday in the garden at Riverview home, it was ordered.

They were ordered to restore the stolen books and seek an education in a more usual manner.

CITIZENS TO GET 45C FOOD RATION

Washington, May 3.—Army subsistence experts have worked out details of the bills of fare for the citizens' military training camps this year at which some 25,000 youngsters will receive training.

Under the funds available, the ration allowance for these camps has been increased to 45 cents a man daily as compared with the army limit of 30 cents, and the training camps will be allowed an additional 25 cents a man for the cost of preparation and service. Regular army cooks will do the kitchen work, aided by detachments which will relieve the youthful soldiers of the necessity of kitchen police duties.

The menus provided by the quartermaster corps for the guidance of camp subsistence officers include an allowance of fresh fruit and cereal for breakfast, salad and raw vegetable for dinner, and a pint of fresh milk or buttermilk a day for each man.

U. S. TO SELL CUBA ARMS FOR REVOLT

Washington, May 3.—The Cuban government, facing a "condition of violence" in Santa Clara province, caused by revolutionists, has appealed to the Washington government for purchase of a considerable amount of arms and ammunition for use by the Zayas forces against the revolutionists.

The appeal today was approved by the State department and forwarded to the War department, where it is regarded as certain that the arms and ammunition asked for will be available to Cuban authorities without delay.

PROTESTS KILL RADIO TAX PLAN

Washington, May 3.—There is to be no tax on radio receiving sets, parts or accessories in the amendment revenue bill.

By a vote of 40 to 13 the senate late Friday eliminated the section from the bill providing for a 10 per cent tax on sets and parts which had been placed in the bill by the finance committee and approved a few days ago by the senate.

A storm of protests urging a repeal of the provision swamped the office of senators since the tax was endorsed.

Yielding to these protests Senator Dill of Washington asked on Wednesday that the vote imposing a tax on radio sets and parts be reconsidered.

When the question was brought up Friday strong arguments were advanced for the elimination of the tax. It was argued that the radio is as necessary as the daily newspaper or the postal service.

K. K. K. ORGANIZING IN CANADA, RUMOR

Vancouver, B. C., May 3.—Police today are investigating reports that a Canadian branch of the Ku Klux Klan is being organized here by a Klan officer from the American midwest. Candidates for membership in the invisible empire are being invited in a hotel room, according to the report, with great pomp and ceremony.
