

Bossie Pleads Not Guilty to Gigamy Charge

Former Omaha City Clerk Arraigned at Lawrence, Kan., on Complaint Filed by Second Wife.

Claude F. Bossie, former Omaha city clerk, was arraigned in Lawrence, Kan., Friday on a charge of bigamy, and pleaded not guilty. His preliminary hearing was set for June 2, and he was released under \$1,000 bond. The charge was preferred by Mrs. Maybelle Bossie of Omaha.

Bossie stuck to his story that he has been divorced from his Omaha wife, Mrs. Maybelle Bossie, but did not state where that divorce was granted.

Nations Nearer on Dawes Plan

Anglo-Belgian Conference Won't Press France to Evacuate Ruhr Now.

London, May 3.—One result of the Anglo-Belgian agreement is that France will not be pressed for immediate evacuation of the Ruhr by England, it was learned from a semi-official source this afternoon.

Premier Theunis of Belgium and Foreign Minister Hymans conferred at length with Premier Ramsey MacDonald, setting forth the French viewpoint and attempting to reconcile differences of opinion between Paris and London regarding reparations.

Such an understanding will give the Germans economic freedom promised by the Dawes plan.

STORM-STRICKEN AREA RECOVERING

Atlanta, Ga., May 3.—With organized relief well under way in virtually all localities, the southeast slowly was recovering today from the series of devastating tornadoes of the mid-week, which laid waste sections of seven states, taking a toll of 106 lives, injuring hundreds, making other hundreds homeless and damaging property to the extent of about \$10,000,000.

Supervised by field units of the American Red Cross, local relief agencies bent their efforts today toward penetrating to the uttermost fringes of the storms sweep in a definite survey.

In South Carolina, where the storms struck at their worst, the first Red Cross unit to arrive was found inadequate to operate on the extensive basis required and additional workers were en route there today.

With a total of 73 dead alone in that state, at least 200 injured and nearly 1,000 homeless, Governor McLeod appealed to the state and country as a whole for assistance to the sufferers.

CAPITAL, LABOR BOTH AGAINST LAW

By Associated Press.

Buenos Aires, May 3.—President De Alvear was faced today with the alternative of postponing application of the new pension law or accepting the consequences of a nation-wide strike, unique probably in the history of any country for the reason that it is virtually a common protest from both capital and labor against what is termed an absurd piece of legislation. The law provides for the deduction of 5 per cent from salaries, to be applied to a pension fund, the employers contributing a like amount.

Strikes and lockouts have already begun in various cities, and in Rosario several persons are reported to have been wounded in a clash between strikers and police. A city-wide strike is scheduled to begin in Buenos Aires today, while a general closing down by the employers is fixed for Monday, with the likelihood that it will continue unless the government yields.

DAUGHTER BORN IN 'FRAUD MARRIAGE'

Hempstead, N. Y., May 3.—A certificate filed today with Town Clerk Gilbert showed that a daughter has been born recently in Baldwin to Mrs. Susan Simpson Tucker, 47 years old, of Jersey City, and her 17-year-old husband, Burton S. Tucker of South Essex, Mass., whose marriage has been the object of an inquiry in the Jersey courts.

The certificate revealed that Mrs. Tucker's daughter, Peggy, by her first husband, had succumbed to a progressive malady. It was on the contention that a change of climate was necessary for Peggy, aged 7, that the Tuckers obtained postponement until fall of their trials on a charge of fraud in connection with their marriage.
