Police Beat Soldiers in Jinx Baseball Game; Casualties Large

The Omaha policemen's baseball club won a game of baseball at Fort Crook Friday afternoon with the 11th infantry team, but their casualties were large.

It was in the seventh inning, with the score 7 to 1, in favor of the "cops," that Old Man Jinx took a hand. Patrolman Targaszewski "walked" to first and then stole second.

But in sliding he sustained a scorching knee and had to be taken out. Full Backer Frank Yost was chosen to run in his place. Yost took his position on second and then proceeded to steal third. In sliding in the base he broke one leg in two places.

He was removed to the Fort hospital, where surgeons set the broken bone and where he will remain for some time. The game was stopped after the second casualty.

It is said to be about \$10,000. The lessor is the First Trust company and the lease is to be signed this week.

The Following Are the Ballots to Be Voted at the City Election, May 6, 1924

SAMPLE BALLOT

City of Omaha Election, May 6, 1924 Proposed Amendments to the Charter of the City of Omaha

Shall the Charter of the City of Omaha be amended by addition thereto of a Section to be known as Section 13A of Article V, which proposed section reads as follows:

Article V, Section 13-A. Notwithstanding the provisions of Section 13 of Article V, the Board of Directors of the POLICE RELIEF AND PENSION FUND are hereby authorized and empowered to pay a pension not to exceed Forty Dollars (\$40.00) per month out of the Police Relief and Pension Fund of the City of Omaha to such widows as shall survive on the date this provision shall become effective, who are the widows of police officers when such officers died while in the service prior to 1913.

For the Amendment Vote YES. Against the Amendment Vote NO. YES NO

Shall the Charter of the City of Omaha be amended by the addition thereto of a Section to be known as Section 26A, Article III, which proposed section reads as follows:

Article III, Section 26A. It shall be the duty of the CITY ENGINEER before bids are asked for by advertisement in any improvement district, to make a careful and detailed ESTIMATE OF THE COSTS OF THE CONTEMPLATED IMPROVEMENT. Such estimate shall be limited so that a comparison may be made between such estimate and the bids called for. Such estimate shall be submitted to the City Council and in advertising for bids for any such work the Council shall cause the amount of such estimate to be published therewith. All bids received for any such work shall be referred by the City Council to the City Engineer for tabulation. If in any improvement district no bid is received within such estimate, then no award upon any bids received in excess of such estimate, shall be made in such district until after fifteen days after the time for receiving bids under such advertisement shall have expired; within which time any one desiring to do so may file a bid with the City Engineer, providing such bid be within the estimate of such Engineer and be accompanied by a deposit or other guaranty of performance similar to that required of bidders upon the work under the advertisement calling for bids.

If any bid within the estimate be so filed with the City Engineer he shall at any time thereafter within such fifteen days transmit such bid to the City Council and award may be made thereon in like manner as if said bid had been received in pursuance of the advertisement calling for bids.

In any improvement district where no bid is received within the estimate of the City Engineer the bids shall not be published within such fifteen days nor shall any petition designating material be signed, dated, or acknowledged within such time unless a bid as above set forth be filed with the City Engineer and an award be made thereon by the City Council.

When any such bid is received and an award is made thereon it shall in all respects be treated like a bid received and opened at a regular meeting of the City Council in pursuance to advertisement calling for bids.

When bids are called for by advertisement for grading any street or alley within the City and no bid is received within the estimate of the City Engineer the City Council may enter into a contract to do such grading without further advertising for bids, provided the contract price be within the estimate of the City Engineer and the contract be entered into within thirty days after the time for receiving bids under the advertisement calling therefor.

For the Amendment Vote YES. Against the Amendment Vote NO. YES NO

Shall Section 2 of Article III of the Charter of the City of Omaha, which now reads as follows:

"Authority to improve without petition.—The City Council is authorized to order any of the improvements within street improvement districts specified in this Act, EXCEPT BOULEVARDS, when the outer boundaries of the improvement district shall not exceed one and one-half miles from the streets surrounding the block on which the city hall is located."

Be amended to read as follows:

"Article III, Section 2. Authority to improve without petition. The City Council is authorized to order any of the improvements within Street Improvement Districts specified in this Act, INCLUDING IMPROVEMENTS UPON BOULEVARDS, when the outer boundaries of the improvement district shall not exceed one and one-half miles from the streets surrounding the block on which the City Hall is located."
