Fremont Boosts **Fund for College**

Chamberof Commerce Pledges \$100,000 as City's Midland Contribution.

Fremont, May 7 .- Fremont Chamher of Commerce has taken the initiative in securing \$100,000 from the people of Fremont as the city's contribution to the Midland college appeal for \$500,000. A committee of 30 has been appointed to take charge of the drive among the business men.

A permanent organization with Dan V. Stephens as chairman has been formed. Harry Webb has been named campaign manager and Fred H. Richards secretary. Other members of the executive committe are Dale Milliken, Ray W. Hammond, D. D. Rowe, J. Howard Heine, A. G. Christensen and Wilson Reynolds.

The money will be obtained in pledges, according to present plans. Donors will be asked to make the first payment June 1, with the remaining sum divided into four portions to be paid annually. The decision to pledge \$100,000 toward the Midland appeal follows a recent meeting of the Chamber of Commerce when the proposition came up for discussion, but no action was taken.

The Chamber of Commerce was instrumental in bringing Midland to Fremont four years ago from Atchison, Kan. At that time the lusiness men contributed toward an endowment fund and the expense of re moving the school from Lansas, With the present plan for expansion under way, they have again come to the fore in their support of the institu-
