

Babies Test High in Brandeis Clinic; Prizes Awarded

Over 1,000 Tots Registered and Examined During Week; Judges and Nurses Praise Show.

"Omaha babies attain the highest average I have seen in my experience in clinic work," said Marion Hubbard, national authority on baby welfare, who conducted better baby week at the Brandeis store celebrating national health week, which has just closed.

"I consider this the finest display of babyhood, and greatly appreciate the attitude of the Omaha women who have given their time to assist in the clinic."

Dr. A. S. Pinto and the other judges in the contest examined them with minute care, declaring all the entrants so remarkable that choosing the 12 prize-winning babies up to 1-year-old was a problem. The prizes were awarded at the close of Dr. Palmer Findley's lecture Saturday afternoon.

The first class consisted of babies from birth to six months and the solid gold medal with diamond setting went to Phyllis Jane Eberle, 429 South Forty-second street, four months old.

The second prize, a solid gold engraved medal was awarded to Floyd Grant Penry, 2532 North Nineteenth street; the third prize, sterling silver medal, was won by Mary Louise Albright, 428 North Fortieth street, and the fourth prize, six photographs of himself was given to Donald Webster Woods, 5105 Iard street.

The same prizes in the second class were won by Alfred Charles Emerson, Jr., 2554 North Forty-eighth street; Vivian Eleene Annis, 626 South Thirty-eighth street; Gretchen Carol Swanson, 326 North Fortieth street; Norma Jean Fletcher, 211 South Twenty-fourth street.

Lorraine Mae Simonson, 1038 South Twenty-seventh street, won the first prize in the third class, babies from nine months to one year. The second prize was awarded to Howard Eugene Mertz, 909 South Twenty-seventh street; third to William Frederick Groom, 2804 Avenue J, Council Bluffs, and fourth to Richard Harvey Penner, 3450 North Sixtieth street.

More than 1,000 babies were registered and examined at the clinic.

EMPLOYED BOYS TO GIVE MOVIE

The Employed Boys' club, including boys from the Union Pacific headquarters, Western Union, American Smelting and Refining and other large firms, will conduct a moving picture show at the auditorium of the Y. W. C. A. Thursday evening. Proceeds are to be used for athletic equipment. The program will consist of Tom Mix in "Romanceland" and a two-reel comedy.

James Westerfield of the Union Pacific is president of the club and Harold Dick of the Western Union is vice president. E. L. James, manager of delivery for the Western Union, is adult leader. The club has been organized since March.

GENEVA STATE DEBATE WINNER

Lincoln, Neb., May 10.—The Geneva High school debating team won the state title today when it defeated the School of Agriculture of Curtis, Neb., in the finals here today.

The proposition was "Resolved, That the United States Should Further Restrict Immigration." Geneva, champion of the central district, won the semi-finals yesterday evening in the seventh state debate of the Nebraska High School league, defeating Superior, champions of the southern district by unanimous decision.

EX-BALL PLAYER KILLED IN BRAWL

St. Paul, Minn., May 10.—William "Baseball" Wilson, a former member of the St. Paul baseball team, was stabbed to death after a drunken brawl in a local soft drink bar last night.

4 Die in Grade Crash

Chicago, May 10.—Four men were killed at a railroad crossing near here today when the motor car in which they were riding was struck by a Chicago, Milwaukee & St. Paul passenger train. On account of the mangled condition of the bodies only one has been identified. He was Oscar C. Johnson, a city employe.

She Was Weak Thin and Nervous

How She Took On 15 Pounds Regained Her Strength and Lost All Nervousness

The greatest strength-giver and producer of good healthy flesh is Cod Liver Oil. It's full of vitamins. But it's nasty stuff—ill-smelling and hard to take, and usually upsets the stomach.

Thank goodness! we don't have to take it from the bottle any more, for now Sherman & McConnell Drug Co., Beaton Drug Co., Brandeis Store and all druggists are selling McCoy's Cod Liver Oil Tablets, sugar-coated and as easy to take as candy, so that you can get the real Cod Liver Oil in condensed form and get just the same result as with the horrible smelling liquid.

Men and women, weak, thin and nervous, are urged to put on weight and get back their health and strength with these wonderful tablets.

One woman gained 15 pounds in five weeks and that's going fast enough for anyone.

Only 60 cents for 50 tablets, and if they don't put five pounds of flesh on any thin person in thirty days—why, money back and no quibbling about it, either.

National Hospital Day to Be Observed by Omaha Institutions Monday With Open House to Public

Hospital day is well known to Nelson Dempsey, right, who has been in the hospital four times in the last six years. Nelson is lying in bed with his right leg propped up. A piece of bone was removed from the leg on account of an injury received when a motorist ran Nelson down.

Hospital day means nothing to these eight sleepy babies at University hospital but they have all had a good start in life. There are four boys and four girls here that have been born in the last 14 days.

National hospital day is to be observed Monday throughout the country. Requests have been made by the American Hospital association that some notice be taken of this day by every hospital.

The first national hospital day was held in 1920 to bring the hospitals and their work before the public and to attempt to standardize the hospitals. Omaha hospitals will observe the day by holding open house.

At Swedish Mission hospital open house will be held and flower planting made in the gardens in the hospital yard. At Lord Lister hospital and St. Joseph's hospital visitors will be welcome.

Growth Is Rapid.
In 1873 there were 148 hospitals in the United States and in 1922 hospitals numbered 7,554.

One of the oldest hospitals in Omaha is Clarkson hospital. It is a continuation of the Good Samaritan hospital, which was started in Omaha in 1869, when there were 100 hospitals in the country.

Women headed by Mrs. J. L. C. Jewett, a prominent church woman here, were instrumental in the hospital's start.

Free medical service was given in this hospital, which was located at Twenty-third and Webster streets. In 1877 it was destroyed by fire. Bishop Clarkson called the women of Trinity cathedral together in 1881 and a hospital with six beds was started in a rented cottage at 1716 Dodge street to be known as Clarkson hospital.

Later, a lot was purchased and a permanent building erected which was later torn down at the same address. In 1907 the new hospital was started

at Twenty-second and Howard streets. One of the patients at St. Joseph's hospital is looking forward to Hospital day. He is Nelson Dempsey, 12, son of Mrs. Henry Dempsey, 814 South Twenty-third street. Nelson has been in the hospital four times since 1918. The first time he spent a year in St. Joseph's hospital on account of a weak heart. In 1920 the boy had his tonsils taken out and stayed in the hospital for three months. Again in 1922 he spent a month in the same hospital.

Nelson has been in the hospital this last time for three weeks for an operation on his right leg, which was injured last March when struck by a motorist at Twenty-third and Leavenworth streets.

He spends his time in the hospital reading and claims the record of finishing six books a week.

Service beyond Price

STOP a moment and consider the time when the health and possibly the life of a member of your family depended upon the knowledge, skill and integrity of your druggist.

You realized the importance of his position then---you told yourself that your druggist was a man of sterling worth---that he deserved your greatest respect, confidence and support.

Have you forgotten your druggist? Do you realize that if he depended upon the filling of prescriptions entirely that he could not exist---and that he must of necessity depend upon the sale of toilet goods, candy, cigars, magazines, drug accessories and scores of other home needs in order to stay in business.

Don't consider your druggist merely as an "emergency" man---a good samaritan in a crisis. Your druggist is your friend. He deserves the patronage you thoughtlessly give to others that rightfully belongs to him.

Consider these things when you buy articles that are sold by your druggist. Remember that he is "more than a merchant"---that the Registered By Law Druggist is an important factor in the health and well being of your family, yourself and your community. Buy all your drug store needs of your neighborhood druggist.

These Druggists Are Registered by Law for Your Protection

Their service is truly a "service beyond price." They are "on guard" from early morn till long after other business houses have closed---awaiting the call that may save the life of one of your loved ones. Patronize your Registered by Law druggist at every opportunity.
