Adapted from George M. Cohan's well known musical comedy success, Bert Smith Players present "Forty-Five Minutes From Broadway" as their bill at the New Empress beginning tomorrow. The show was one of the best of the many triumphs and is given a splendid stage presentation by the Smith organization. The production will be staged by Joe Marion and features Billy Van Allen in the role of "Kid Burns" and Vi Shaffer as "Mary." Amateurs are an added attraction this evening.
