Again Monday the Demonstration Sale FLORENCE Oil Stoves & Ranges

3x6-foot Congoleum Rug **Free**

More Heat Less Care

This week with each nationally advertised "Florence" Oil Cook Stove, a 3x6-foot Congoleum Rug will be included.

This demonstration is held to acquaint you with an economical way of cooking, for the "Florence" burns kerosene, the cheapest fuel. There are no smoky, smelling wicks and when the stove is burning, air is mixed with the kerosene, creating an intensely hot, gas-like cooking flame close up under your cooking or baking, which is easy to regulate.
