# The Sale you have been waiting for Burgess-Nash Re-financing Sale

A refinancing plan has just been completed by the financiers in control of this company—Frank H. Woods, Mark W. Woods, George J. Woods and Ward M. Burgess—in which they have entered into certain agreements that call for the immediate payment of almost ONE MILLION DOLLARS.

This must be raised at once, and the General Manager of this store has been instructed to conduct the most stupendous sale ever held in Omaha. Our vast stocks must be turned into immediate cash, or charge

accounts which are considered the equivalent of cash. There is no alternative—agreements have been signed, which call for immediate payments—and in order to raise the money to carry out these signed agreements, values will be forgotten. THIS IS YOUR OPPORTUNITY—TAKE ADVANTAGE OF IT—BUY A 6 MONTHS' SUPPLY OF EVERYTHING AT THE PRICES AT WHICH THEY WILL BE OFFERED ALL THIS WEEK. Remember that this is the great sale for which you have been waiting for months, and that the cash must be raised out of this business to provide the sums that have been promised.

PROFIT-SHARING SHAREHOLDERS will find it to their advantage at these prices to trade out all they can absorb, although agreements entered into by the above financiers with the State of Nebraska positively assure them that their money will be refunded in full.

Every department is not only contributing the bargains advertised on this page, but many others advertised in the other papers, and many others not advertised at all, so be here at 9 o'clock tomorrow morning, when the doors open, and be prepared to supply every need, present and future.
