

### Youth Hurt When Horse Throws Him Against Tram Car

Animal Slips in Mud, Breaks Back and Is Shot—Boy Badly Bruised About Body.

Elmer Holmes, 15, 2533 Grant street, student at Technical High, was severely injured shortly after 1 Friday, when the horse on which he was riding, fell to the pavement and against a street car near Technical High school.

Young Holmes was badly bruised about the body, and it is feared he received several broken bones. The horse on which he was riding received a broken back, and had to be shot.

**Were Going to Races.**  
Holmes and four other boys had ridden horses to school Friday morning. They intended to ride to the races Friday afternoon after school. It was the last day of the school quarter.

They raced the horses about the open field east of the school. The horse ridden by Holmes slipped on the wet grass and mud at the edge of the field and crashed to the pavement on Cuming street, and against a street car.

**Companion Also Falls.**  
The horse ridden by Melvin Vreeland of Florence, which was following close on the heels of Holmes' horse, also fell, but both the boy and the horse escaped with only minor bruises.

Young Holmes was taken to Methodist hospital. The horse which he was riding belonged to Caldwell Clark, 9523 North Twenty-ninth street, son of Mike Clark, former sheriff. His other companions, all mounted, were Millard Craig, 2043 Fowler avenue and Jack Dowling of 2567 Capitol avenue.

### 140 NEW CITIZENS MADE ON FLAG DAY

A special observance of Flag day will be held by the council of Americanization in connection with the Americanization-naturalization mass meeting at the courthouse Saturday night at 8 o'clock when 140 new citizens will be handed their final naturalization papers.

On the program are the Ak-Sar-Ben band, the Boy Scouts, the Women's Relief corps, which will present silk flags to the new citizens; Judge Charles A. Goss, Rev. Rue Bennick, Mayor J. C. Dahlman, E. D. White, the Cosmopolitan quartet, Miss Annunziata Garretto and Dr. J. E. Wagner.

Sidney Gottdend, deputy clerk of the district court, will present the naturalization papers and the D. A. R. will present a "Manual United States."

### YOUTH CONFESSES THEFT OF 15 AUTOS

Charles Hawkins, 15, who escaped from juvenile court last September by climbing through the ventilator, was arrested by police Friday morning and confessed to the theft of 15 automobiles in the last month and the theft of a cash register and \$35 from the Leavenworth garage.

Thirty-third and Leavenworth streets, several weeks ago.

Frank Daily, secretary to the police inspector, recognized Hawkins in municipal court Friday morning as the latter was being sentenced to five days in jail for reckless driving. He had given his name as Harry Johnson.

Police have been looking for Hawkins for months. He said he had been sleeping in empty apartments at Drake Court.

### ESTRANGED PAIR QUILTS "TANGENT"

District Judge J. S. Dewell granted a divorce to Dora Cochrane, 34, from her husband, Earl, 35, Tuesday, on grounds of cruelty.

Wednesday the pair appeared at the county courthouse and obtained a license to wed again.

"We're through with our little tangent," declared Cochrane.

The couple were first married January 21, 1908. They have a son, Jack, 13.

### Chicago Federal Reserve Bank Cuts Rediscount Rate

Chicago, June 13.—The federal reserve bank of Chicago today announced that it has reduced its discount rates from 4 1/2 to 4 per cent on paper of all classes, the reduction to become effective tomorrow.

### Steno's Desk Littered With Old Shoes and Rice, for "Secret Is Out"

Mrs. Betty Gooch Foley

The staid, business-like offices of the Conservative Savings and Loan association became littered with old shoes, rice, flowers and congratulatory signs Thursday when it was discovered Miss Betty Gooch has for almost two weeks been married to Bernard J. Foley of the McCord-Brady company.

Mrs. Foley has for six years been a stenographer of the association. Her associates say the first time she ever showed distaste for additional work was on the Saturday before last, which was her wedding day.

**Works Overtime.**  
On this portentous day Mrs. Foley hoped to leave promptly at the closing time, but fate sought to thwart the plans of Cupid, and just as she was ready to leave for the "little

**JENKS PREACHES KEARNS FUNERAL**  
"Modest, unassuming, doing a great work, and beloved by us all," was the eulogy of Rev. William H. Kearns, who died Wednesday, from Rev. E. H. Jenks at the funeral services at the first Presbyterian church Friday morning at 11.

Rev. Mr. Jenks was assisted by Dr. Donald McLeod, pastor of Dundee Presbyterian church. Burial was at the Forest Lawn cemetery.

Dr. Kearns was the field secretary of the Presbyterian churches in the northwestern district, as well as secretary of the New Era movement and head of the transportation department of the Presbyterian church.

### JURORS TO QUERY DEATH OF GIRL

Coroner's jury to investigate the death of Thelma Rose Clymer, 7, killed by the auto of J. H. Loop, 2309 Avenue J, Council Bluffs, Tuesday, has been selected, although no date for the inquest has been set.

The jurymen are Charles Kendricks, W. A. Highsmith and J. C. Hansen.

### LIGHTNING KILLS MARYVILLE MAN

Maryville, Mo., June 13.—Dan H. Slauson, living nine miles southwest of Maryville, was killed by lightning at about 10 o'clock while working in his alfalfa field yesterday. His body was found by his brother, Charles, when he was missed at the dinner hour and his brother set out to find him. Slauson was a bachelor and made his home with his mother. This is the third death near Maryville within a week as a result of lightning.

### Beauty Search After 40 Futile Doctor Asserts

No Elixir to Restore "That School Girl Complexion," San Francisco Physician Tells Association.

**By Associated Press.**  
Chicago, June 13.—The search of Ponce De Leon still is vain. There is no elixir to restore that school girl complexion and no royal road to it after a woman reaches 40. It's no use, girls!

Dr. Ernest R. Chipman of San Francisco talked over the cold and cruel facts today with members of the American Medical association as his audience.

The San Franciscan assailed X-ray treatment as a beautifier in particular and took on some other methods in his warning.

"It is impossible for a 40-year-old woman to acquire the complexion and facial characteristics of a girl of 16," said Dr. Chipman.

"So-called beauty parlors using the X-ray as a method of bringing girlhood vigor to women are facial, however, and young Mrs. Foley finished her work as any good stenographer would have done, even though it delayed the chiming of wedding bells.

The ceremony finally took place that same afternoon at Glenwood, Ia., with Mr. and Mrs. Ray McDonald in attendance. Monday morning Mrs. Foley was at work as usual and none of her associates was the wiser. A week went by and still no suspicion was aroused.

**HUSBAND, WORK DISAGREED, CLAIM**  
Hazel McKeague, 4311 Grant street, testified in domestic relations court Friday that her husband, John L. McKeague, has given her only \$2 for the support of herself and their four children since January 1. He hates work, she testified. They were wedded in St. Peter church eight years ago.
