**Free Inspection** of Auto Brakes to Be Made Here

Campaign for Public Safety to Be Sponsored by The Omaha Bee; Motor Trades to Help.

Every motorist realizes the need of good brakes. He knows that his own afety, the safety of other motorists and of pedestrians is dependent on well-adjusted brakes.

Hence, every right-minded motorist would avoid driving his car unless he knew that his brakes were in good working order.

In the interest of public safety, and to provide the opportunity for every motorist in Omaha to have his

The Omaha Bee. Gentlemen:

I am informed that you are contemplating putting on a campaign for the purpose of testing faulty brakes of motor machines which are run upon the streets of Omaha, during the week of June 23 to 28, inclusive.

This is a good move in the right direction, as I am thoroughly convinced that a great many of our automobile accidents could be avoided if every machine were equipped with perfectly working brakes. I will be glad to co-operate with you in this matter and will lend all the assistance possible to make a success of this campaign for safety. The increasing use of motor vehicles upon our streets has rendered it more essential to have these machines as nearly 100 per cent operating efficiency as possible.

would respectfully ask all owners of automobiles and especially of fleets of trucks to cooperate with us in this effort. Yours respectfully,

H. W. DUNN, Superintendent Department Police, Sanitation and Public Safety.

brakes tested and inspected free of all cost. The Omaha Bee, with the co-operation of the Omaha Automobile Trades association and Police the Midway. Commissioner Henry Dunn, has arranged to hold a brake inspection campaign.

The campaign will be conducted for one week, June 23 to 28, inclusive. The testing will be carried on between Fourteenth and Fifteenth streets on Capitol avenue, with enough experts in charge to test the brakes of every automobile in Omaha in the course of the week.

### Scientific Inspection.

Motorists will be placed under no obligation and no charges of any nature will be made. Nor will tips to brake inspectors be allowed.

The campaign will be conducted profits of the Midway. solely for the purpose of giving Omaha motorists a chance to find out how their brakes are functioning, under
