DR. CALDWELL'S SYRUP PEPSIN Keeps young girls fit

False Modesty Wrecks Health fever blisters, lack of energy and appetite, sleeplessness, indigestion.

THE young lady just assuming the responsibilities of a woman is very apt to be self-conscious of her physical functions, and in consequence neglect them. There is no time, however, when it is more important for her to look after them. Chief among her troubles is constipation, and her suffering will be serious when she gets older if she does not regulate her bowels now. Mrs. Mary Kellar of 132 Benton St., Sisterville, W. Va., was perplexed about her daughter until her own druggist told her they used Dr. Caldwell's Syrup Pepsin at his house, and she did likewise. Miss Irene Mazierska of 90 Peter St., Buffalo, Mazierska of 90 Peter St., Buffalo, N. Y., is glad her attention was called to Syrup Pepsin.

Increased doses are not necessary. A bottle can be had at any drug store, and a spoonful costs less than a cent. It has been successfully used for thirty years and is the largest selling liquid laxative in the world, over 10 million bottles having been sold in drug stores last year.
