

Bright Stockings Picadilly Vogue

Beautiful Woolens, Studded by Metals, Are Popular—Caps Resemble Wigs.

London, June 21.—Clothes of knitted silk and wool and "illuminated stockings, in many startling colors and designs, are features of the summer styles in Picadilly.

Woolen suits have never been so beautiful. Wonderful dresses, that seem studded with precious metals when the wearers move, have threaded into their silk texture gold and silver lines. Coats are embroidered with patterns executed by artists.

Knitted garments have been made to fulfill a woman's dress needs from breakfast to dinner. Prices have soared, and the plain knitted woolen suit, which used to be an economy, has become so gorgeous as to be now an extravagance.

Woolen caps that can be brushed until the ends are as fluffy as a curly head have been manufactured for seaside wear. They give the effect of wigs and can be bought in many alarming colors, from mauve to orange.

Stockings are still to be light in color. Sunburn stockings are the correct wear for the summer, and a woman, to be perfectly dressed, must wear hosiery that corresponds in shade to the exact tone of the tan on her face. Shops display shot-silk stockings and others with luminous clocks and lace insertions, while there are stockings of gold and silver metal tissue for evening wear.

Many hats are trimmed with scarves. Fan-shaped hats, lavishly trimmed with flowers, promise to be popular.

Suede gloves, trimmed with large head motifs or edged with colors and cut into petals so that the edges look like flowers, are among the dress accessories.

Nebraskan Kills Golden Eagle as It Swoops Down for Young Pig

This golden eagle with six-foot-six inch spread of wings, was shot 10 days ago on the farm of A. M. Durr, seven miles southwest of Nebraska City, Neb. The eagle, brown with white tail, is thought to be 3 years old. When Mr. Durr heard his pigs in the hogyard squealing, he ran towards the yard with shotgun in hand. He shot the bird just as it was making a final swoop for a small pig. Several pigs had been missing from the Durr farm previous to the discovery of the eagle. Mr. Durr sent the bird to the National Fur and Tannery company here to be mounted. It will be on display in the window of the Townsend Gun company.

FRANCE QUERIES U. S. ON RUSSIA

Washington, June 21.—The French government has taken up with the United States the question of recognition of soviet Russia, it was learned here today.

Eduard Herriot, the new French premier, has sent a note to Secretary of State Hughes, through the French embassy here, asking the opinion of this government on the advisability of entering into diplomatic relations with Russia.

The note reached the embassy this morning.

France, according to reports in diplomatic circles here, is anxious to recognize the Moscow government, but wants to sound out Secretary Hughes before going ahead.

Whether any other questions were taken up in Premier Herriot's note could not be learned in advance of the

transmission of the document to the State department.

It is the first formal communication that has reached Washington from Paris since the Herriot ministry took charge of the government.

The United States, during the Wilson, Harding and Coolidge administrations, has consistently opposed the recognition of soviet Russia, the attitude of this government being that diplomatic relations cannot be established so long as the soviet will give no guarantees for the protection of American property and other rights.

No change in this position is expected as a result of the French representations.

Summer Religion School to Present Two Pageants

Columbus, Neb., June 21.—The Columbus interdenominational summer school of religious education, sponsored by the Columbus churches for children and young people of the city, will put on the first of two biblical

dramatization pageants in the Y. M. C. A. Tuesday. When the school closes in July another open-air pageant will be put on in the town square, Frankfort park. More than 100 will participate.

STABBED IN HEART; VICTIM MAY LIVE

Kansas City, Mo., June 21.—Arthur Harris, I. W. W., stabbed in a fight with negroes here Thursday, has a chance for recovery due to an unusual operation performed at a local hospital.

A knife had penetrated the pericardium of Harris' heart, inflicting a wound three-fourths of an inch long. The other heart sack filled with blood, making action impossible.

Three ribs were removed by the surgeon, who drained the outer sack, sewed up the wound and replaced the ribs. A local anesthetic was used. Gas was administered only when the wound was sewed. Harris said he felt no pain.

IOWA GIRL GOES BACK TO MOVIES

Special Dispatch to The Omaha Bee. Shenandoah, Ia., June 21.—Miss Mildred Carlson, who has taken part in the production of a few pictures, left for Seattle, Wash., in response to a telegram from the United States Studio company, motion picture producers, to be there Monday morning. Miss Carlson made her home here

with Mr. and Mrs. C. A. Wenstrand, but went to Los Angeles two years ago. She has been employed by the United Studio company for some time at Los Angeles, Seattle and New York City. She came to Shenandoah this time from New York City.

The Fremont Tribune opines that women blush just as much as they ever did, only it don't show through the paint.

Silver Nugget Weighing Over Two Tons Shown

London, June 21.—A silver nugget, weighing two and one-half tons, from northern Ontario, the largest ever taken from a silver mine, is proving a magnet to thousands of daily visitors to the "Canadian Pavilion" housing the dominion's exhibits at the British empire exposition.

The mineral display contains a scene depicting the Hollinger mine, the world's premier gold producer; samples of coal from every producing mine in Canada and displays of asbestos, nickel, mica, copper, silver, salt, gold, marble, granite and other building stone.

Boys "Hike" From New York to Omaha in 8 Days; Walk Only Five Miles

George Koch, Harwin Schlegel

From New York to Omaha in eight days without walking five miles in the record of George Koch, 17, and Harwin Schlegel, 16, hikers, on their way to Yellowstone park.

The boys and the public helpful and have had no trouble in getting rides. Sometimes they ride as far as 300 miles with one driver. They left New York June 7 and arrived in Omaha June 14.

Being ahead of their schedule, they had to stop in Omaha to wait for their clothes, which they mail ahead to various points.

"We planned on getting into Yellowstone about July 1, but will be able to make it much sooner than that," said Schlegel, who is a nephew of Miss Charlotte Henbeck of the Foster Travel Information company.

Mothers!! Apply Common Sense

THIS is the era of the prevention of disease and sensible people do not wait until sickness has actually come before remedying the trouble. The crowded hospitals everywhere are and examples of the results of neglect. Be especially watchful of children. Restlessness, lack of normal appetite and feverishness usually indicate constipation. Stop it that instant with a spoonful of Dr. Caldwell's Syrup Pepsin and you will have prevented real sickness. Mrs. Ida Williamson of 1637 Pine St., Long Beach, Cal., and Mrs. Lou Brawley of Self, Ark., never have illness in the family because of their prompt use of Syrup Pepsin.

A Great Family Laxative

It may be difficult to decide just what medicine to use out of the many that are offered, but it would not be if you knew the facts. There are laxatives, cathartics, purgatives and physics, and they vary in their reaction on the system. Naturally, the stronger the medicine the more it shocks the system, so wise parents never give anything but a laxative to children. Dr. Caldwell's Syrup Pepsin is a mild laxative, a vegetable compound of Egyptian

senna with pepsin and desirable aromatics, and so appreciated that it is now the largest selling preparation of its kind in the world, over 10 million bottles being used annually. The formula is in every package.

Three Rules of Health

Purchase a bottle of Syrup Pepsin at a drug store and always keep one in the family medicine chest. Give it to anyone from infant to grandparent, for it is safe, and the cost is less than a cent a dose. You can keep a family healthy with just this simple medicine. Give it for constipation, torpid liver, indigestion, biliousness, headaches, colds and other evidence of bowel obstruction. Dr. Caldwell, who was a practicing physician for 47 years and who originated this formula, had three rules of health that he found very effective among his patients and which you can follow with great benefit: Keep the head cool, the feet warm, and the bowels open.
