

Standards-Woodmen of World Game Holds Center of Amateur Interest Today

Old Rivals to Play Contest at Fontenelle Park

Knights and Schneiders Will Iron Out Game at Fort Omaha at 3:30 P. M.

By HORACE L. ROSENBLUM.
Old rivals will meet in the feature amateur game this afternoon when the Standard Laundry and the Woodmen of the World of the Metropolitan league tangle at Fontenelle park. The Laundry team at the present is tied for second place while the Woodmen 1923 amateur champs are in sixth place. Both teams have not been displaying the brand of ball that they are capable of, nevertheless this afternoon's combat will be a close mix.

In the first round the fraternal handed the North Side laundry men a 7 to 4 defeat, and according to Manager Kudlach, expect to duplicate again this afternoon. Some 10,000 persons witnessed the last combat between these two teams and indications point to even a larger crowd at today's game.

Leo Krapfel will be on the firing line for the Woodmen while the veteran Art Dyck will throw 'em over the pan for the North Side team.

Second in interest to the Metropolitan league fans will be the Knights of Columbus—Schneider game at Fort Omaha. The Schneiders have been weakened considerably by the loss of Lawrence Custer, their star right handed hurler, who has quit the electric workers to pitch for the U. P. Store department, an independent team. At a late hour last night manager Emil Schneider had not signed any one to take his place. Bostwick, third sacker for the Schneiders, has left the city and will probably not return in time for this afternoon's game. Despite the loss of Schneider, Emil Schneider asserts that his team will give the Knights a tough game. Sil Pavlik will probably do the hurling for the Fraternal team while Manager Schneider will have to depend on Kibler to bring home the bacon for the wiremen. Should the Knights lose this afternoon they will drop out of their tie for second place.

The league leading Murphy Di-Its who have yet to taste defeat in a Metropolitan League contest will lock horns with Frank Crawford's Police team at Muncy Beach. The Police team has made several changes in its lineup and may give the Murphys a tough game. Ike Mahoney, will take the mound for the loop leaders while Frank Crawford will throw for the "leuths. The Carter Lake club and U. P. Enginemen, battle each other at the club grounds in the other Metro loop game.

The C. B. and Q., leaders of the American league will defend their leadership when they mix with the Omaha Sporting Goods company, who are in second place just one game behind the leaders. Should the Sporting Goods win they will be in a tie for first place with the railroaders. Johnny Braniff will take the mound for the leaders, while Bill Farley will do the hurling for the Sporting Goods team. In the second best game in this league, the Kinney Shoes and the McKenney Dentists play at 3:30. The Riverview park, The Sam Elias and the U. S. Yards play the first game at Fort Omaha at 1:30, and the Post-office and the Paxton Billiards meet at 3:30, at Athletic park.

The West L Improvers, leaders of the Southern loop, have a chance to strengthen their hold on first place when they meet the Dietz club, at 3:30 at St. Francis park at Sixth and J streets. The Michka Grocery and the Janda Funeral, play at 3:30 at Christie Heights in what should be the best game in the loop.

No changes are looked for in the leadership of the Gate City league as the Vinton Merchants, loop leaders, are playing the tallent Clark team. The other two games in this league will be played at Thirty-second and Dewey avenue, when the Frost Batters and the National Guards meet in the first game and the Ajax Tires and the Holmes meet in the second game.

The best game in the Junior Omaha league will find the William Street Merchants, loop holders at first place, pitted against the Kalman Insurance team, at 3:30, at Miller park. Should the Merchants win and the Gibson Ramblers, who are in second place, lose to the West Leavenworth Merchants, the William street team will clinch the pennant in this loop. The Y. M. C. A. Juniors and the Polish Athletic play at 1:30 at East Elmwood in the other Junior Omaha contest.

The best game in the Intercity Junior league will find the Brown park Merchants and the Twenty-fourth and Ames Merchants booked to play at 1:30 at Muncy Beach. The Parks are in second place and the Ames team is in third place. The South Omaha Juniors leaders of the loop, will meet the tall-end Vinton club in the only game scheduled for West Elmwood. The Corr Electric and the Swift Independents play the first game at Miller park at 1:30.

LUIS FIRPO EARNS LESSON IN FINANCE

New York, July 5.—Luis Angel Firpo evidently has learned a great lesson. Having refused a \$240,000 guaranty to box Harry Wills, prior to the negro's recent failure to stop Madden, the Wild Bull now is coming to accept a percentage or a flat offer of \$100,000. Firpo's greed for gold will bring him back to this country to fight Wills in August. He may haggle over the date, but Tex Rickard holds the whip hand.

Suspended Amateur

Dave Bostwick

Dave Bostwick, the gent in the picture who has just finished taking a mighty swing at the ball, plays with the Schneider Electric, that is, he played with them until last Friday when he jumped his contract to play semi-pro ball with Decatur, Neb. Now the former Wiremen's third sacker is suspended for three years on account of his action.

Thirteen Twilight Games Scheduled

A total of 13 twilight games are on the boards for the amateur teams this week. Out of the 13 games scheduled, two of them will be played Monday evening by teams out of the Church league. On Tuesday, six games will be staged by teams out of the two Sunday School leagues.

COLUMBIA ELEVEN TO REPORT EARLY

New York, July 5.—Percy Haughton, football coach of Columbia University, has ordered candidates for the Columbia eleven to report at Baker field on September 3, for the earliest start a Morningstar team has ever made.

Catching 'Em on the Fly

Leo Peditis, star catcher and outfielder of the Dietz club, has signed up with the Dietz M. E. church team. Leo will play left field for the Church leaguers.

Tommy Meier, second sacker for the Schneider Electric, is playing bang up ball around the keystone sack for the wire men.

Adolph Ambrose and Tony Sofio, outfielders for the Dietz M. E. church team, each got two dummies in the (Fun Hill) Dietz mix a week ago Saturday.

Although "Ike" Mahoney had a good day with the stick last Sunday against the Schneider Electric, the auto crew's manager looked bad in the field, making several inexcusable errors.

The Dietz M. E. church team has three sluggers who are hitting over the .300 mark in Krebs, Sox and Gargano. The last two games Krebs has batted 1.000, while Carnazzo and Sofio have hit .750.

Freddy Kracliek, left fielder for the Woodmen of the World, seems to have regained his batting eye. Last Sunday he hit for the tooth-jerkers, had a busy day in the outer garden last Sunday. "Duke" handled his duty of three safe dummies in the delivery of the entire number of putouts made by his team.

Manager Lehr of the Standard Laundry stepped into the limelight last Sunday when he pitched the home team in the position in left field and hit safely three times out of three trips to the plate.

The Dietz Memorial of the Church league has two good hurlers in Sunblad and Joseph and Krebs and Carnazzo.

Who will stop the undefeated Murphy Di-It? Looks like Ike Mahoney's boys will finish the season without a defeat.

Monk Russell, center fielder of the old P. Enginemen, is sure punishing the old apple. In the last three weeks Monk has hit .400, with an average of the batting line up to the leaders.

George Abmond, center fielder of the Cudahy Packing Co., will probably be replaced by Manager Lonnie Zep. Abmond has been playing with the meat men with the Green Sox team on Sundays. Conditions such as these are not allowed in the value of the Municipal Baseball association.

"Banty" McKee, who was voted amateur baseball's most popular player, fully deserves that honor. Billy is known and liked by all the fans and players alike, including the members of both sex.

Rumor has it that Dave Bostwick, the Schneider Electric's third sacker, had left the city and will probably not return in time for this afternoon's game.

Managing an amateur ball team doesn't seem like much fun. The Knights of Columbus manager and center fielder is hitting the ball for an average way over the .400 mark.

Is there a good amateur pitcher in Omaha who would like to twist for the first-class team in the Metropolitan league? Emil Schneider of the Schneider Electric is looking for such a pitcher. He has offered \$500 to any pitcher at Webster 6415 or see him this afternoon at the Fort Omaha ball grounds. No "hoaxers" need apply.

Manager Harry Sunblad of the Dietz M. E. church team thinks his team has a chance to win the championship in the Church league.

Dave Brosnan, hurler for the Kinney Shoes, has pitched some dandy ball games for the shoe men's team, but errors at critical times have lost most of the games he has twirled.

Hefflinger, third baseman and captain of the Michka Grocery team, will be missing from the grocery lineup this Wednesday when they tangle with the Janda Funeral Home. The cotton-topped third sacker left for Salt Lake City Wednesday with the U. P. Headquarters team.

The Knights of Columbus team of the Metropolitan league seek the services of Jack Provoost, big Indian hurler, who is connected with the Nebraska Power Co. team of the Commercial Saturday league.

Bendloch, catcher for the Gibson Ramblers, batted 1.000 against the Kalman Insurance team last Sunday. The busy catcher grabbed a double and three singles out of four times to bat.

Anton Egermier of the Erie Holmes had a good day with the stick last Sunday against the league leading Vinton Merchants team, pulling out three safe blows out of four times to bat.

Shanahan and Hazen, who do the battery work for the South Omaha Boosters, get along pretty good. They ought to, they both work together in the mill department of the Woodmen of the World.

Moore's Broadcasters, managed by Jimmy "Daddy" Moore, failed to hit the ball hard enough and as a result the Janda funeral leaders beat them in a loss by the score of 5 to 3 last Thursday. These teams will play again in the near future. With the exception of a couple of Metropolitan leaguers on each team, the balance of the team's roster are fellows who have not played ball for several years and are now playing just for the fun of it.

Jiggs Schupp, outfielder for the Gibson Ramblers, accounted for four of the six runs made by his team against the Kal-

man Insurance team last Sunday, when he scored two runs himself and drove in two more.

Although Winn Egermier, catcher for the Erie Holmes, has Gate City league, split his finger in the Holmes-Janda Merchants game last Sunday, he will take his regular position against the Ajax Tires this afternoon.

E. Thompson, first sacker for the Gibson Ramblers, is playing a great game at corner one for the Ramblers.

Tom Koustky, who can play any position on the ball team, pitched steadily ball for the Holmes team last Sunday when he took up the burden with the Holmes about seven runs behind.

Rudy Grossman, pitcher for the Gibson Ramblers, has allowed an average of two earned runs per game and has struck out on the average of 14 batters per game.

Cassiano, hurler for the Kalman Insurance team of the Junior Omaha, is considered by all players in the Junior league to be the best hurler in the George Graham circuit.

Who will stop the undefeated Murphy Di-It? Looks like Ike Mahoney's boys will finish the season without a defeat.

U. S. May Get 1928 Olympics

Paris, July 5.—Holland may decide to forego the opportunity of staging the 1928 Olympic games, and the ninth modern revival of the games may be held in the United States.

It is reported in Olympic circles that Holland, sensing the magnitude of the preparations necessary to run off the Olympic events, would not be averse to giving up her turn, in which event the games would automatically go to Los Angeles. It is understood the question will be brought up at a meeting of the international Olympic committee to be held immediately after the competition in athletics.

Baron Pierre De Coubertin, president of the committee, has not yet been officially notified of Holland's intentions, but should a request to be relieved of responsibility come from her, the head of the International Olympic organization says the United States will be the logical successor.

Ball Player and Actor Are Ardent Shooters

While Jake Daubert, the popular Cincinnati Red, who was temporarily put out of the diamond game a short time back by an injury received during a game, is known far and wide as a ball player, not so many fans are aware that he is also an expert trapshooter. Daubert is a well-known figure at the Cincinnati Gun club traps when the Reds are playing a home playing series and is a frequent visitor at the gun club grounds in other cities. He never fails to draw the attention of shooters and gallery and to break a score in keeping with his reputation as an A-1 sportsman.

Daubert is just one example of men who are also experts at the shoot game, but whose reputation at the latter has not become so wide.

Charles Winninger, as is popular among trapshooters as he is among theatergoers, for his good scores at the national sport win him a place in the front rank. Fred Stone is another actor who breaks a top-notch score when he goes after the flying clays and whose presence at local gun club grounds is sought whenever he is in a city boasting a live lot of shoot fans.

Ranks With Best Amateur Hitters

Louis Moravec

LOUIS MORAVEC, hard hitting first sacker for the Kinney Shoes, holds an honor that very few amateurs can boast of. The Kinney's first sacker recently poked a homer over the fence at league park off the delivery of Johnny Braniff pitcher for the Burlington team and ace of the American league hurlers.

Moravec who is 18 years old, got his start in amateur baseball playing on the fast Comenius school team. For the past two seasons this hard-hitting youth has been with the Kinney's. If the southpaw youngster can pick up a little in his fielding he will rank with the top-notch first-sackers in the amateur league.

Tech Summer Interclass Ball Loop Opens Soon

Play in the annual Technical High summer inter-class baseball league will start Tuesday afternoon with the Freshman squad playing the Sophomores at 2:15 p. m. on the school field.

Authorities have planned for a schedule of games running into the middle of August, and from advance enthusiasm exhibited at the Maroon institution, this year's tourney should be one of the most successful ever attempted.

It was at first planned to make the league a twilight circuit, but this has been changed, and now all games will be played in the afternoon at 2:15 o'clock.

Managers and captains have been elected in all teams. The Freshmen elected Peterson captain, and Johnson, manager; the sophomores elected Swartz captain, and McGinty, manager; the juniors elected Sellgren captain, and Powell manager, and the seniors elected Freeze
