Takes Second Heat of Race in 2:02 1-4 and Final Heat in Time One-Fourth of Second Slower.

Associated Press.

Columbus, O., July 9.—The three fastest heats of the race were recorded today in the Elks' Home \$3,000 stake for 2:04 pacers, one of the features of today's Grand Circuit card.

Jimmy McKerron won the first heat in 2:02 1-4. Hal Mahone took the second heat in the same time and the third heat in time only one-fourth of a second slower. Hal Mahone was a strong favorite in the event.

The first event of the afternoon, the 3:15 trot, brought out a field of 11 starters, with Barksdale made first choice.

David Axworthy, which ruled as second choice, won the first two heats and the event, with Barksdale taking the third one.

While The Consequence won the first heat of the 2:03 trot, he and Lady Bondsman, which constituted the Mahone entry, were disqualified and not permitted to start in the remaining heats.

All Mahowich, which finished second in the first heat, was given first place because of the foul driving back of Lady Bondsman in running into Murphy, who was driving Hope Frisco. In the second heat Al Mahowich broke at the home stretch and Peter S. won.

Peter S. proved the best of the small field in the third heat and won it and the race. Almo Worth finishing near the rear. The Southern Hotel \$3,000 stake for 2:03 pacers was another split heat race. Kid Hal furnished a surprise by winning the first heat. Colonel Bidwell, the favorite, won the second heat, although he was very tired at the finish. By winning the third heat Russell Ongale sent the race into the fourth heat, which was won by Kid Hal.

YANK ATHLETES FINISH FIRST IN SEMI-FINAL HEATS OF 200-METER DASH AT BIG OLYMPICS

Harold Abrahams and Liddell, British Ace, Qualify—Dan Kinsey of University of Illinois Wins Final of 110-Meter Hurdle Race in 15 Seconds—Rainfall Prevents Sprinters From Making Fast Time.

COLONNES STAD and Mourion, France, were shut out in the second heat.

Paddock won his heat with ease, pulling up at the finish.

Dan Kinsey, University of Illinois, won the final of the 110-meter hurdle race in 15 seconds. Atkinson, South Africa, was second; Peterson, Sweden, third; Christensen, Sweden, fourth; Carl Anderson, Illinois A. C., fifth, and Hal Guthrie, Ohio State, who was sixth, was disqualified.

Jackson V. Scholz of the New York Athletic club won the final heat of the 200-meter dash in the Paddock, Los Angeles, second; Liddell, Great Britain, was third; George Hill, University of Pennsylvania, fourth; Bayes Norton, Yale, fifth, and Harold Abrahams, Great Britain, sixth.

Scholz's time was 21.45. The track and field games have proved a complete bust as far as drawing crowds are concerned. The Colombe stadium looked today like "Boyle's Thirty Acres" on a stormy day in December. About as many spectators turned out as present themselves for an interscholastic dual meet in a small American community. The Europeans do not relish the repeated spectacle of the Stars and Stripes being hoisted to the top of the official staff and listening as the band repeatedly tunes up with "The Star-Spangled Banner."

Charles Paddock, Los Angeles, was the second semi-final heat, with Liddell, the Scotch university sprinter, second, and Bayes Norton, Yale, third. Paddock's time was 21.45.

Abrahams held a good position with Scholz and Hill until the stretch, when he cracked and barely captured the last qualifying place. The results of the semi-finals gave the Americans great expectations for a round number of points, when the final is run.

Rain fell steadily, but this did not prevent the sprinters from making fast time.

Car, Australia; Porritt, New Zealand, and Nichols, Great Britain, failed to qualify in the first semi-final heat of the 200-meter dash and Kinsman, South Africa; Coaffee, Canada, Tarkio, Mo., July 8.—Tarkio defeated Hopkins, Mo., here this afternoon by the score of 6 to 5. Hits by Pyers and Yale and Lemar's wild pitch won the game for Tarkio in the ninth. Tarkio plays the Kansas Indians here next Tuesday.
